

Nine Cases Are Appealed to District Board from Here

A. L. Gary, Local Appeal Agent,
Gives Notice He Will Appeal
From Decision of Local Board

ALL ARE DEPENDENCY CASES

Twenty-Three More Are Certified
to District Board, Most of
Whom Files no Claims

BOARD REFUSES ONE CLAIM

County Has 89 Ready For Army
and District Board is Not Like-
ly to Grant Many Exemptions

SAFELY IN QUOTA IS BELIEF

Men Who Fail to Appear When Cer-
tified For Service Will be
Classed as Deserters

A. L. Gary, local appeal agent for the government, gave notice today that he would appeal to the district board from the decision of the local board in nine cases. All of the nine men whose cases were appealed were granted discharges by the local board on grounds of dependency, many of the men having no children and declaring that their wives were solely dependent upon them.

The action of the government appeal agent came as a surprise, especially to the men who were granted exemption as they believed they were secure. Mr. Gary intimated that more appeals would be made. The appeal list was formally posted in the clerk's office. The nine men whose cases were appealed follow: George F. Billings, Wilbur Linville, Benjamin F. Humes, Corte Reddick, Lowell Vickery, Cecil E. Major, John O. Bennett, Paul Foster and Carl Logan.

A total of 23 names were certified to the district board by the local selection board today for service in the national army. The list for the most part contains the names of men examined the first three days this week and who did not file any claims for exemption. One claim for exemption was refused by the local board, Byron C. Wainwright of this city, who claimed exemption because of dependency of aged and infirm parents, being denied a discharge on this grounds. This makes eighty-nine certified to the district board, which is more than the county's quota.

Morris Bagley, who also originally filed a claim for exemption on the grounds that his parents were dependent upon him, was in the list certified. Mr. Bagley withdrew his affidavits from the board after he found he had signed the papers which contained some things not true. Mr. Bagley stated he did not read the affidavit and therefore did not know what all the statement sworn to contained. Upon investigation he found some things he did not desire to swear to and thus lay himself liable to the government, so the local board granted him permission to withdraw the affidavits.

Bagley told the local board he intended to file a claim with the district board on vocational grounds. The board will grant the withdrawal of any other affidavits known to the persons making them to be false as there is no desire to prosecute under the federal law. If the affidavits go through this is what will likely happen and then despite warnings from the board.

In addition to certifying the twenty-three names to the district board for service in the army, the local board also granted a total of eighteen discharges. All of the discharges were granted on the grounds of dependents.

Nine Cases Appealed To the District Board

The cases of the following men who had been granted exemptions by the local board on the grounds of dependency, were appealed by A. L. Gary, local appeal agent today: Benjamin F. Humes, Rushville. George F. Billings, Rushville. Wilbur Linville, New Salem. Lowell Vickery, Rushville. Cecil E. Major, Rushville. John O. Bennett, Dunreith. Corte Reddick, Mays. Carl Logan, New Salem. Paul Foster, Rushville.

The names sent to the district board today brings Rush county's quota up to 89 and should the district authorities grant some claims it is believed there would still be enough left to make up the quota and the ten per cent over draft asked by the government. A total of 86 names has been certified to the district board for service in the national army. In addition to this the district board has refused three claims from this county on occupational grounds so that the total as is now stands without further word from the district board is 89, which is more than enough to fill the quota and the ten per cent over draft.

Prior to today 63 names had been certified. No word has been received regarding any claims outside of the three and these three were filed direct with the district board. The 23 names added to the list today brings this up to 86 and with the three additional names certified back to the board the total is placed at 89. More word from the district board is expected anytime, but none had been received today. The local board had a number of claims to act on today providing it could get the regular work out of the way.

The results of yesterday's examinations shows that twenty-eight men were passed who filed claims for discharge because of dependents; seven who filed no claim and were accepted and four discharged.

An official announcement from the department of justice states that men certified for service who fail to appear when notified to do so will be treated as deserters. A man who fails to appear for examination before the local board when notified is certified for service after ten days. If he subsequently fails to appear before the appeal board he is officially in the army and subject to army rules, according to George N. Murdock, agent in charge of the investigating work in this state.

Thus far in Rush county four men have failed to appear for examination. Three of these have been certified for service. These three are not counted for the total. The four men who have failed to appear here for examination are Levi Crull, Jr., of South Dakota; Sherman Combs, who was located in La Crosse, Wis.; Horace Jones and Charles Naden. Crull asked permission to be examined in South Dakota but his request came too late and he was certified. Combs was examined at La Crosse without permission of the local board and failed to pass the examination. No word whatever has been heard from Jones and Naden. Jones was last heard from in Richmond, Va.

Naden still has a few days in which to appear before his name is certified for service.

These absentees, whom the local boards are certifying to the district appeal boards, are now the quarry of the agents of the department of justice. Mr. Murdock has called on the police to inquire for the absentees at the address from which they

registered. It the police fail to find them the United States authorities are to reach out to get the men.

Orders from Washington received by Mr. Murdock are most explicit as to dealing with absentees caught before they are ordered to the Louisville camp. They are to be put in jail and held there until their time to report at the training camp.

**Co. B's Pet Coon Found
and Sent to Camp Shelby**
Company B's pet coon, lost or stolen in the rush of entraining here Monday, was found today at the fair grounds by Ralph Newbold, son of Mr. and Mrs. A. N. Newbold, who manage the poor farm, the land of which adjoins the fair ground. The boys did not miss the pet until almost to Indianapolis and then there was an awful howl. The coon was a great favorite with the boys. He was forwarded to Hattiesburg today by Postmaster G. P. Hunt. It was at first believed the coon was stolen but now it is believed the coon was lost in the excitement of moving.

RED CROSS SHIPS FOUR BOXES TODAY

They Contain 1,321 Articles Which
Will be Placed With Car Load
and Sent Abroad.

SPECIAL REQUESTS TODAY

Asked to Provide Supplies For 4th
Regiment Hospital and Socks
for Sanitary Detachment.

The Rush county chapter of the Red Cross today shipped to the state Red Cross warehouse in Indianapolis four boxes of supplies which will be packed and marked for foreign shipment.

The Red Cross is in receipt of an appeal for supplies for the Fourth Indiana regiment hospital and fifty pairs of socks for the sanitary detachment which is in training here.

The four boxes sent forward today will be shipped out of Indianapolis with a carload from the state Red Cross to Brooklyn, for use abroad. The box contained thirteen hundred and twenty-one articles. The local chapter also sent to the headquarters of the State Council of Defense today fifty pairs of woolen socks, which were knitted here for Indiana soldiers.

This work was done at the request of the state defense body, but hereafter all knitting work will be a branch of the Red Cross work. The local chapter has been allotted three hundred knitted sets and will endeavor to get them out as soon as possible, as well as the fifty pairs of socks for the sanitary detachment.

Emphasis was laid on the fact, however, that too much stress should not be laid on the knitting work because the other activities of the chapter have to go on as usual because the county has to turn out just as much hospital supplies and other work as heretofore. This explains the urgent appeals which have been made lately for more workers.

The chapter is requested to provide twenty pairs of cotton blankets, two hundred bandages and a limited supply of gauze for the regimental hospital of the Fourth Indiana Infantry. The request has a special appeal here because not only Company B, but the medical detachment as well are units of the Fourth. The big majority of the members of both these units are Rush county boys.

The blankets, bandages and gauze will be supplied at once and the knitting contingent of the local chapter and auxiliaries will supply the socks for the sanitary detachment as soon as they can be made. Yarn for knitting the socks may be obtained at Red Cross headquarters here.

COAL PRICES EFFECTIVE.

(By United Press.)

Washington, Aug. 23.—The prices fixed by the president for bituminous coal are now in effect. Secretary Tumulty in a telegram to the St. Louis Coal company announced today the new schedule is effective "Immediately."

COUNTY IS PROUD OF ITS GUARD UNIT

Company B is Advertised Far and
Wide as First in United States
to Reach Camp

QUARTERED IN A WAREHOUSE

Men Enjoy Swim in Y. M. C. A. Pool
at Jackson, Miss., When Train
Stops Hour and Half

Company B's arrival at Hattiesburg yesterday attracted considerable attention, according to dispatches from the Mississippi city. It was with considerable pride that the people of this city learned that Company B was probably the first guard unit in the United States to reach its permanent training quarters.

All of the press associations carried the story of Company B's arrival and this city received no end of free advertising. Interviews were given out by Capt. Kiplinger and Lieut. Blackledge in which they declared Camp Shelby appeared to be an ideal place to train.

The lack of equipment was one of the things commented on in dispatches. Every company was supposed to have its own tentage, but Company B had none. The officers were under the impression that the tents had been forwarded to Hattiesburg but on arriving this was found not to be the case.

In the absence of tents Company B was quartered in one of the large warehouses, where they will remain until their equipment arrives. The blankets furnished by the government and those loaned by the Red Cross were taken to Camp Shelby. Capt. Kiplinger expected just this sort of thing to happen and made arrangements to take the Red Cross blankets along and then ship them back as soon as the boys were better equipped.

Cards received here today from members of the company said that the special train stopped for one and one-half hours in Jackson, Miss., and the people of the city invited the boys to the Y. M. C. A. where they made good use of the swimming pool.

The local company was not in camp very long before some Kentucky troops arrived. There was quite a contrast in the two state organizations. The Kentucky troops were fully equipped. Late yesterday afternoon two more Indiana companies arrived in camp and the Rush county boys proceeded to make new friends.

One of the interviews attributed to Capt. Kiplinger follows: "South Mississippi is not a new country to me and I was glad from the first that we were sent here. I know the climate and soil is ideal for winter training and that the mosquitos and malaria which are prevalent in some sections of the state are not found in this section. The site looks ideal to me. When we get some tents and cots we will be fixed fine."

Shortly before arriving in Hattiesburg the company ran into a heavy rain and the men had visions of having to unload in the mud, but to their surprise the ground was dry in the morning when the work started. This is one of the peculiar conditions of the soil.

PROPERTY TOTALS \$29,700

The personal property on the old Cullen farm west of Rushville, which is run by Will L. Brown, was found to be worth \$29,700 when it was appraised yesterday by a board composed of Ed Chambers, Carey Patton and Glen Miller. It included all the personal property except the wheat crop and several head of hogs ready for the market. This sum included two hundred acres of corn. The inventory was taken because Mr. Brown and Dr. J. C. Sexton will farm the place on the shares. Mr. Brown has been paying cash rent.

CARTHAGE SOCIAL HAS LARGE CROWD

Chilly Weather Not Conducive to
Sale of Ice Cream, But People
Enjoy Band Concert

TALK BY CHAUNCEY DUNCAN

Pleasure For Rushville People to be
Able to Visit in Carthage on
Such an Occasion

Although postponed one night, the community social at Carthage attracted a large crowd last night. The street in the immediate vicinity of the vacant lot in the heart of the business part of town was jammed with automobiles and the grounds surrounding the social were crowded with people. The place where the social was held was well lighted.

The women of the Christian church made twenty dollars on the festival. The night was chilly following the rain, which was not conducive to the sale of ice cream. Residents of Carthage said it did not rain night before last, the original date for the social, but the weather was threatening all evening. It rained here, however, that night and it is probable that the crowd from here would not have been as large as it was last night.

Chauncey Duncan made a short talk on behalf of the Rushville business men, who co-operated with the church in giving the festival. He declared that it was a great pleasure to Rushville people to be able to visit in Carthage on such an occasion.

"The organization assisting you," he said, "sort of looked forward to Carthage as the promised land. We are sorry we could not come last night but a more welcome thing—the rain—came. Rushville people always know they are in the hands of their friends when they come to Carthage. We come together a few times every year and mingle together. A few years ago we were not so closely linked as a community as now when we are blessed with good roads and other modern conveniences.

"Carthage is a very important business center. It is has splendid and capable business men. You are surrounded by a fine farming community, one of the best in the county or the state for that matter. The community social is for the purpose of becoming better acquainted. The merchants do not mean to try to cause you to trade in Rushville. There is no intention to try to take any trade away from your merchants, but if you can not find what you want here, come to Rushville and we are sure we can supply you."

The Odd Fellows band gave a program of music and was enthusiastically applauded by the crowd. Several patriotic numbers, including the new marching song which the band plays, especially met with the favor of the people.

Among the people from here who went were: Mr. and Mrs. Merrill Ball and family, Mr. and Mrs. Jess Poe, Edmund Gartin, Miss Hettie Retherford, Mr. and Mrs. Jack Knecht, Miss Sue Gregg, Mr. and Mrs. Will O. Feudner, Mr. and Mrs. O. M. Dale, Mrs. Emma Havens, Will M. Bliss, Dr. Frank M. Sparks, Dr. F. G. Hackleman, Charles A. Frazee, Roy E. Harrold, Frank Priest, Charles Caron, Jerome Caron, Joe Miller, Chauncey Duncan, Charles A. Mauzy, Will Leach, Mr. and Mrs. Derby Green, George Wiltse, Mr. and Mrs. R. W. Noyer, Mrs. Louis C. Lambert, Mr. and Mrs. Knowles Casady, Mr. and Mrs. E. R. Casady and family, Mr. and Mrs. R. H. Jones, Roy Beaver and Henry Bundrant.

Twin girls were born to the wife of George Alexander, living in North Perkins street, this morning.

Cox's Shoe Store

"Style Confidence"

That is what every woman has who steps out before her friends, wearing a pair of our boots. The designers of these shoes are intimate with the latest fashion trend and the patterns they produce are always in close harmony with the Dress Modes of the hour. Here in this store, then, you will see on display the shoe styles which are deemed correct in the big fashion centers. Your choicest gown has its mate among the fresh styles which have just arrived. At least have a look at them.

Winship and Denning

The Tonic That Does The Work

If you have a pale face, fallow look, dull eyes, pimples, coated tongue, headaches, a listless no-good feeling, all out of sorts, inactive bowels, you are urged to try

HYDRASENG

(Formerly called Gin-seng compound.)

HYDRA-SENG is an acknowledged beneficial Tonic. It has SPECIAL reference to indigestion, dyspepsia, and intestinal sluggishness. It assists in eliminating from the stomach, liver, kidneys and bowels, the indigestible waste and poisonous toxins, thus cleansing, sweetening and purifying the entire inner person.

LENS STILL HOTTEST POINT IN FIGHTING

Canadians Advance Struggling Line Slightly And on Ypres Front Attack is Repulsed

FRANCE HAS 8,426 CAPTIVES

(By United Press.)
London, Aug. 23.—Lens was still the hottest point in the fighting on the British front today. The Canadians advanced their struggling line slightly. Field Marshal Haigs report said the advance was south-east of the French coal city.

"On the Ypres battle front, east of Langemark a hostile attack at a strong point under gun fire was repulsed," the British commander-in-chief asserted.

CONCENTRATE ARTILLERY

With the Italian Army, Aug. 23.—A gun every thirty yards over a front of 37 miles was the concentration of Italy's artillery achievement today at one place in the great line where Gen. Cadorna's men pressed onward. Approximately 2,000 artillery pieces of every conceivable calibre were extremely active in this sector.

24 CANNON TAKEN

Paris, Aug. 23.—Prisoners in France's great drive taken since Monday were increased today to a total of 8,426, according to the war office statement. Of these 7,640 were unwounded; 600 were hospital cases and there were 186 officers. Other fruits of the great victory were 24 cannon and more than 200 machine guns.

SENTENCE SUSPENDED

Fred Smith, alias Fred Brunner, who was arrested last Sunday after attempting to steal a Ford auto and two bicycles, was arraigned before Judge Sparks in juvenile court today and sentenced to the Boys' school at Plainfield. The sentence was suspended pending good behavior. The boy is 16 years old and makes his home with L. L. Lane, northeast of the city.

R. W. NOYER ARRESTED

R. W. Noyer was arrested this morning for operating an automobile without a state license and entered no plea when arraigned before Mayor Bebout. He had Ohio license plates on his machine and the affidavit alleges he was violating the law when he did not get an Indiana license after residing here sixty days. Prosecutor Stevens filed the affidavit yesterday afternoon about four o'clock.

ASSESSMENTS OF UTILITIES FIXED

County Auditor is Now Able to Certify Amount of Taxables to City Council

I. & C. VALUATION \$151,277

Total Value of Railroad Property in The County is Placed at \$1,113,513

The assessments of public utilities as fixed by the state board of tax commissioners was received yesterday by County Auditor McMillin. This is the reason the amount of taxables in the city was not certified to the city council. The auditor did not have the utilities assessments and therefore could not give the council the correct amount of taxable property in the city.

The total value of the railroad property is placed at \$1,113,513 by the state board and the Indianapolis and Cincinnati traction company's property at \$151,277. These are the amounts on which taxes will be paid.

The railroad property was assessed as follows: C. I. & W. \$432,450; Big Four, \$181,455; Big Four use of L. E. & W., \$420; L. E. & W. \$80,145; Pennsylvania (Indianapolis division), \$24,885; Pennsylvania (Cambridge City division) \$277,698; Vernon, Greensburg and Rushville, \$116,470.

Gas companies were assessed as follows: Cambridge City Gas company, \$7,138; Charlottesville gas company, \$320; Rushville Natural Gas company, \$20,397; Tide Water Pipe Company, Limited, \$26,119; Fuel Gas company, \$1,275.

Of the telephone companies the Rushville Co-operative company is taxed the highest. This company is called upon to pay an assessment of \$80 a mile on a total of 471.5 miles. This means an assessed valuation of \$37,720 on toll lines.

The telephone company assessments follow: Central Union, 340.11 miles are \$37 a mile; Indianapolis Telephone company, 96 miles at \$30 a mile; Arlington Telephone company, 368 miles at \$12 a mile; Beech Valley Rural Telephone company, 60 miles at \$15 a mile; Knightstown Telephone company, 58 miles at \$36 a mile; New Salem Telephone company, 96 miles at \$16 a mile; Orange Mutual Telephone company, 110 miles at \$15 a mile; Pleasant View Rural Telephone company, 4.5 miles at \$40 a mile; Ripley Farmers Co-Operative Telephone company 374 miles at \$20 a mile; Spiceland Telephone company, 15 miles at \$27 a mile and the Waldron Telephone company, 41 miles at \$20 a mile.

DIES OF APOPLEXY AT AGE OF SEVENTY

Mrs. Samuel Griffith Expires at Her Home Near Moscow Following Two Strokes in Ten Days.

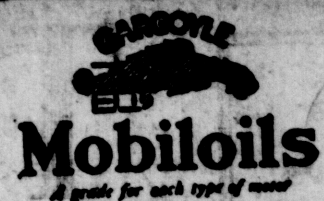

HUSBAND AND 2 CHILDREN

Mrs. Susanne Griffith, 70 years old, wife of Samuel Griffith, died last evening at 6:30 o'clock at her home, one-half mile east of Moscow, following a short illness from apoplexy. Mrs. Griffith first suffered a stroke a week ago Tuesday and on Monday of this week suffered a second stroke. Since then she had been in a critical condition and her death had been expected.

Besides her husband she is survived by two children, Elmer E. Griffith of North Jackson street, this city and Miss Carrie, at home. She is also survived by one brother, Solomon Apple of St. Omer, and three sisters, Mrs. Charles Thompson of St. Paul, Mrs. Lowe of St. Omer and Mrs. Isley of Illinois.

The funeral services will be conducted Friday afternoon at two o'clock at the late residence by the Rev. John Scull, assisted by the Rev. Mr. Hester. Burial will take place in the Moscow cemetery.

The funeral of Deloris Glover, the four-months-old child of Mr. and Mrs. Charles Glover of West Sixth street, who died this morning, will be held at the residence tomorrow afternoon.

Your New Car

The first 1,000 miles is the most critical period in its life. Until the moving parts are fully adjusted to each other, they need constant watching. If well maintained your car will run better the 2,000th mile than the first.

Let us watch it during its first 1,000 miles and save you serious trouble later on.

Correct Lubrication is an important factor. The correct grade of Gargoyle Mobil Oil will be your best protection during the first 1,000 miles—and every mile thereafter.

THE BUSSARD GARAGE

Attention Mr. Farmer

Vaccinate your hogs with the Swine Breeders Pure Serum made at Thertown, Indiana, and be assured of good success in your vaccination.

We administer serum for \$1.75 a hundred or 1¼ cents a cc. for non-stockholders. That is, put in the hog, and \$1.35 per c. c. for stockholders. This is strictly a high class serum and gives the farmer good insurance against the ravages of HOG CHOLERA. We are prepared to answer calls for vaccination at all times and have an office with the Nipp Insurance Co., over the Rushville National Bank.

—The Misses Stella and Edna Gibson attended the fair at Connersville today.

—Mr. and Mrs. John O. Hite of New Salem spent the day here yesterday on business.

—Miss Vivian Huston of Arlington visited here today, enroute to Connersville for a visit.

—Mr. and Mrs. Alba Hurst have returned from Shelbyville where they spent a few days.

—Mrs. William Allen of Indianapolis is here for a visit with her sister, Mrs. Charles H. Brown.

—Miss Edna Comstock of Shelbyville is visiting Miss Carla Doran west of this city for a few days.

—Mrs. H. H. Elston of Indianapolis has returned home after visiting Mr. and Mrs. George C. Wyatt.

—John Stiers, James Stiers and Joseph Amos went to Summitville today for a several days' business trip.

—The Misses Hazel Stoops and Helen Dugan visited friends in Connersville today and attended the fair.

—The Misses Elsie Frazee and Marjory Huffman of Franklin attended the fair in Connersville today.

—Mr. and Mrs. O. P. Wamsley and Mr. and Mrs. Bert Davison motored to Connersville today and attended the fair.

—Francis Knecht and Miss Reba Mahan motored to Shelbyville and accompanied Miss Mahan's cousin, Miss Opal McKay home.

—Mrs. A. S. Holloway of Anderson, who has been visiting here for a short time, went to Glenwood this morning for a visit.

—Miss Mildred Newbold is visiting in Indianapolis.

—Mrs. Frank Catt has returned from a visit in Detroit.

—A. C. Hill of Indianapolis made a business trip here today.

—Mert Ryan of New Salem spent the day here on business.

—Mrs. L. M. Dobyns of Greensburg visited friends here today.

—Joseph Cannon Watson is spending a week at Winona Lake.

—Henry Adams of Indianapolis was among the business visitors here today.

—Elizabeth Wolf of Indianapolis is visiting Katherine Watson for a few days.

—James Watson, Jr., left for Petosky, Mich., today for a several weeks stay.

—Mrs. M. J. O'Reilly is visiting Mrs. W. B. Bright of Indianapolis for a week.

A seven pound boy has been born to the wife of Jesse Holladay, south-west of the city.

—The Misses Leota Mull and Gertrude Wilkinson attended the fair at Connersville today.

—Mr. and Mrs. A. N. Newbold attended the funeral of William McKee in Connersville today.

—Miss Mayme Mullins visited in Connersville today and attended the funeral of William McKee.

—Harold Perkins, Francis Knecht, and Everett Oakley visited friends in Connersville today and attended the fair.

—Mr. and Mrs. Charles Wilson and son Donald are visiting relatives and friends in Hammond, Ind., and Chicago.

—Miss Mary Ellen Hughes left today for a few days visit with friends in Connersville and to attend the fair.

—Alva Newhouse and son Byron, Frank Flint and Bruce Matloek motored to Connersville today and attended the fair.

—Miss Gladys Newbold of Indianapolis is spending a two weeks' vacation with Mr. and Mrs. A. N. Newbold, east of the city.

—Mrs. Leroy Lines and daughter, Miss June, of Milroy left yesterday for a ten days' camping trip at Broadripple Park, Indianapolis.

—Mr. and Mrs. A. J. Perkins, Mr. and Mrs. Ed Perkins and Mrs. J. P. Fore motored to Lebanon today to visit relatives and attend the Boone county fair.

—Miss Lorene Newhouse of Toledo, O., who has been visiting Miss Pauline Gosnell for several weeks, went to Frankfort today for a visit before returning home.

—Mr. and Mrs. P. J. Kennedy and Miss Kathryn Wallace of Newcastle and Ed Wallace of Bicknell motored here last evening and visited Mr. and Mrs. Charles Caron and family.

—Leo B. Mull of Cedar Rapids, Iowa, came Sunday and visited Mr. and Mrs. George C. Wyatt. He was accompanied home by Mrs. Mull and children, who have been here for an extended visit.

—Mrs. Amanda Sweiger returned to her home in Shinnston, West Va., today after an extended visit with Mr. and Mrs. W. A. Woollen. She was accompanied home by Miss Hazel Woollen, who will remain for a few weeks visit.

RECALLS SCENES IN PARIS JULY 4

Mrs. Theresa Conover, Visiting Parents Yesterday, Tells of Inspiring Events

HEARD GEN. PERSHING SPEAK

Expresses Belief War Will Not Last More Than Year Because of Unrest Among People

Mrs. Theresa Maxwell Conover, who lately returned from a several months stay in France, spent yesterday with her parents, the Rev. and Mrs. Daniel Ryan of Glenwood, and left last evening for New York. She was in Rushville in the afternoon and called on John K. Gowdy, former consul-general to Paris.

Mrs. Conover had opportunity while in Paris to gain intimate knowledge of the conditions in European countries. She talks interestingly of the war.

Mrs. Conover believes that the war will not last more than a year because the people of Austria-Hungary are sick of fighting and because there is a state of unrest in Germany which might bring the war to a close at any time.

She says that trench warfare might go on forever and not be a deciding factor in the war, only in that brilliant victories by the allies might lower the morale of the German army and weaken the spirit of the German people.

Mrs. Conover was in Paris the Fourth of July when America's Independence Day was celebrated by French and American troops. Mrs. Conover heard General Pershing speak briefly at the tomb of General Lafayette and also at the Opera.

GERMANY BRUISED BY NEW OFFENSIVE

New York, Aug. 23.—Germany has been badly bruised by the allies' concerted offensive but she still has strength to fight every inch of those gains and throw thousands of men into unending counter attacks.

In addition she has strength enough to start a powerful thrust against the Russian Rega front. Petrograd admitted German gains.

Official statement from belligerent camps plainly show this German strength today. They indicate the chain of battle on the west front has slackened. England's attacks were concerted around Lens and there United Press dispatches showed the Germans had thrown no less than thirty violent counter attacks against the onslaughts of the Canadians. The British, however, were slowly gaining ground.

France's great offensive at Verdun apparently ceased today.

Comique when General Pershing was induced to come on the stage for a moment. She said both were the most inspiring sight she ever witnessed.

Mrs. Conover declared the appearance of the vanguard of United States troops in the streets of Paris had a most stimulating effect on the people of France, the thing which was desired. She said General Pershing was taken in public as much as possible so as to keep the idea uppermost in the minds of the people that the United States had made practical steps toward entering the war.

Mrs. Conover has many interesting pictures, among them a view of a bomb crater where a disabled Zeppelin, with 28 persons aboard, was buried by the explosion of its own bombs.

Washington, Aug. 23.—The American Federation of Labor today joined forces working for conscription of wealth, and death of war profits.

American Lady Corsets
Protect and Preserve Your Good Figure.

YOU owe it to yourself to protect and preserve the natural charm and grace of your good figure.

You know women who, at forty, are as stylish in figure, as graceful and erect as they were at twenty. If you ask them how they have kept their figures so youthful looking, they'll answer: "By always wearing the right corset."

That is it—wearing the right corset, the corset made for you, for your exact type of figure. Insist on having a corset that is designed for your exact type of figure.

There are many good corsets good in material, in workmanship and outward appearance, but you can never be so sure of getting just the right model for your figure as you are if you ask for

AMERICAN LADY CORSETS

\$4, \$3.50, \$3, \$2.50, \$2, and even less

Our experienced corset saleswoman will gladly assist you to choose the right corset for your figure.

The Weber Always Leads

ABOUT 1845, when the first Weber was built, you could not buy a better wagon than a Weber. There were no better built. Weber made "the best" his standard.

That was over seventy years ago, but the standard has been the same every year since. You know that, from the good work you have seen Weber wagons doing. You know they have been always popular.

We can show you, if you come in, that "the best" is the Weber standard to-day. We want to show the wagon to you in the up-to-date form, with every improvement, some of which you can't find on any other make of wagon.

You can see, here in the store, the new fifth wheel, the folding end gate, the link end rods, the strong construction of gears, wheels, and boxes. Come in the first chance you have and see this wagon.

Give Wheat Good Bed

"Make the seed bed fit for the seed. Do not 'intern' wheat worth \$3 or \$4 a bushel for seed purposes in a condition of soil impossible for germination."

That precaution is urged by the United States Department of Agriculture on all farmers who contemplate sowing the high-priced food this fall. To plant seed on poorly prepared land not only wastes the seed that does not germinate, the specialists point out, but it may mean the loss of an entire investment if a paying stand is not obtained.

"A seed bed for wheat must be firm, moist, and well compacted beneath with a mellow, finely divided upper three inches of soil," the specialists advise. "If wheat is grown in rotation with oats or after wheat, the stubble should be plowed to a depth of at least 7 inches immediately after harvesting the preceding crop of grain. The ground should be harrowed within a few hours after plowing and cultivation with harrow, disk, drag, or roller should be given as necessary thereafter until planting time. These operations are necessary to kill weeds, to settle and make firm the subsoil, and to maintain a soil mulch on the surface. The earlier the preparation of a seed bed for wheat is started the better the condition of the soil will be at planting time. Late plowing does not allow time for thorough preparation."

Sound, clean, healthy seed is the first requisite for the largely increased wheat crop which the United States Department of Agriculture hopes to see harvested next year. Whatever the source of supply farmers will find it to their advantage, says the department, to see that only good seed is planted. What has been said is equally true of seed for the rye crop which the department hopes to see much larger than usual next year.

"If a farmer has seed from his own crop which is satisfactory so far as variety and general condition are concerned, he should lose no time in getting it into shape for storage until planting time," the department says. "The fanning mill is the farmer's best friend in this task. The farmer, by all means should have such a mill and if he has not and is unable to obtain one, should borrow or rent his neighbor's mill, or several farmers can join in buying one. A fanning mill removes weed seeds, smut and shriveled grain and leaves only plump kernels, practically every one of which may be depended upon to produce a thrifty plant. After it is cleaned, however, the seed should be treated in order that the smut may be prevented. Scab is less likely to be prevented by seed treatment, but the use of the fanning mill will assist materially in improving the crop grown from seed known to have contained scabby kernels."

Two thousand letters, each one offering a solution of the submarine problem, were received by the navy department in one week. If these—ago.

Town Improvement

The Franchise A Sacred Duty
(Contributed)

About the biggest thing in the United States today is the government itself. And had you ever thought that a little three-by-seven slip of paper has made this government the mighty world power it is? Fact—the ballot.

The franchise is the one thing of which Americans should feel prouder than of any other or all others of their possessions. It is the solution of every question that can possibly arise, the answer to every objection that can ever be raised. It is the power that unlocks the door to opportunity and spreads wide the gate to the field of achievement.

A great statesman has made the assertion that you can trust the people, when unhampered and uninfluenced, to do the right thing. We might safely go a step further and assert that whatever the people do, when unhampered and uninfluenced, is right.

Is there a higher power on earth than the majority of its inhabitants? If not, then there can be no appeal from their expressed will. We do not consider the old world theory of the divine right of kings, because we shook ourselves free from that superstition more than a century ago. Of course the question of the Divine Will is to be considered, but as we are each supposed to be following the dictates of his own conscience, that, to us, is RIGHT.

But we qualify and assert that the voice of the people can not be unquestionably right unless it is the voice of ALL of the people. The WHOLE can not err. Parties and factions can and do.

And therein lies the source of all that is wrong, all that is imperfect, all that is not RIGHT in our body politic. We do not get a free ex-

"wise heads" would only screw up their patriotism to the point of enlisting in the navy we might see some appreciable results. But they won't.

One of the most humane features of the universal service measure will be in the relief given to some of our dependent husbands.

"Well," says the Cheerful Idiot, "this coal shortage will have at least one effect. It will help to abate the smoke nuisance."

The matrimonial slacker probably prefers to encounter the ills he knows than fly to those he knows not of.

If Kaiser Bill doesn't "get a wiggle on" that breakfast he had prepared in Paris will be getting cold.

One of the best grades of Italian cheese is seasoned four years before being eaten. We thought so!

WHEN THE WAR WILL END

Absolute knowledge I have none, But my aunt's washerwoman's sister's son

Heard a policeman on his beat, Say to a lady on the street That he had a letter, just last week, Written in the finest Greek,

From a Chinese Coolie in Timbuckoo, Who said the niggers of Cuba knew Of a colored man in a Texas town, Who got it straight from a circus clown,

That a man in Klondike heard the news From a band of South American Jews, About somebody in Borneo,

Who heard a man who claimed to know Of a swell society female rake, Whose mother-in-law will undertake To prove that her seventh husband's sister's niece

Has stated in a printed piece, That she has a son who has a friend Who knows when the war is going to end.

—Contributed.

SLOWS UP BUILDING

Seymour, Ind., Aug 22.—Because of the difficulty in getting bronze and other materials, the new post-office here will not be ready for occupancy for several months. The contract was let nearly two years ago.

pression of the will of All of the people. Let us repeat: Partial expression may be right or may be wrong; the expression of the whole CAN NOT be wrong, because from it there is no appeal.

All of which is preliminary to the statement that besides being a privilege of which all should feel proud, the franchise is a DUTY that rests upon each one, and one from which no man may escape and remain blameless.

Have you ever thought that, when the voice of the people is called for and your voice is lacking, the answer is incomplete? Yet such is the fact, and it may be that your voice would have changed the result.

How many times have you heard it said of the result of an election, "it was the stay-at-home vote that did it." And in every such case, if a wrong was perpetrated, it was the stay-at-homes who were responsible. You hadn't thought of it in just that light, eh? Well, perhaps not, but think of it hereafter.

Periodically there will be elections in this town, and your town has a right to expect YOUR vote to be registered. It has the right to expect that your vote will express YOUR HONEST convictions. And it has the right to expect the same of EVERY voter within its confines. And when, or if, this result is achieved, the result is RIGHT. It may not accord with your views or your wishes but it is RIGHT, because it is ULTIMATE.

The town that, as a whole, can be brought to view this question of the franchise in this its true light, has taken a long stride forward in civic well being, and will find as it puts into practice these principles, that many of its vexing questions will answer themselves and its knotty problems will be solved.

CARTHAGE HOPES TO HAVE CLUSTER LIGHTS

Seven Are Provided For And Remainder Will Be Subscribed Before Pavement is Completed

RAPID PROGRESS ON STREET

The town of Carthage has hopes of installing fourteen ornamental cluster lights similar to those in Rushville before the cement street being built through the town is completed. Every effort is being made to raise sufficient money to guarantee the lights so the conduits can be laid before the pavement is laid. Seven lights have been provided for and the boosters for the project are confident that the other seven will be provided for.

Rapid progress is being made on the street improvement. The curb and gutter is all in and the two cement bridges, one at the south end and the other at the north end of town have been completed. The contractor hopes to be actual work putting down cement within two weeks. Once he starts this will not require much time. Contractor Miller is completing a job at New Albany and will take his big cement mixer to Carthage as soon as it is finished.

WILL MAP OUT YEAR'S PLAN

Suffrage Activities To Be Decided on At Conference

Indianapolis, Ind., Aug. 22—Plans for suffrage activities in Indiana for the coming year will be mapped out today and tomorrow at a conference of suffrage leaders from all parts of the state which started here this morning. Headquarters for the convention were established at the Claypool hotel.

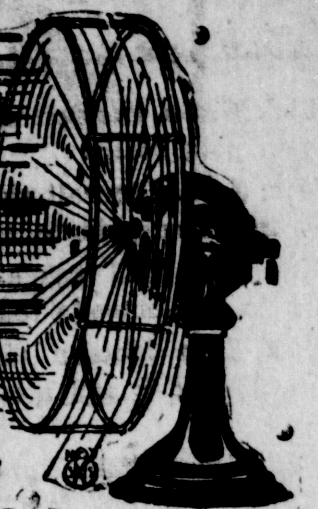

A closer working organization of members of the party in Indiana in preparation for another attempt to gain full woman suffrage, is desired by the leaders, and plans for accomplishing this purpose will be thoroughly discussed.

A feature of the convention will be an address by Mrs. Carrie Chapman Catt, president of the National American Woman's Suffrage association.

ANOTHER BLUE RIBBON FOR STATE

East Germantown, Wayne County, is First to Honor Pershing by Changing Its Name.

IT IS NOW PERSHING, INDIANA

Rep. Elliott Has More Than 2,000 Requests For Canning and Drying Bulletins.

(By W. R. POUNDSTONE)

Washington, August 23—All Indiana community, the town of East Germantown, in Wayne County, is the first in the United States to honor officially General "Black Jack" Pershing, commander of the American forces now in France, by adopting his name as its own.

Acting upon a petition, said to have been signed by practically every resident of the town, J. C. Koons, First Assistant Postmaster General, has officially notified Rep. Richard N. Elliott of the Sixth Indiana District that East Germantown now appears on the official postal records as Pershing, Indiana.

Give Indiana another blue ribbon, The first of the larger states to supply its quota of volunteer troops; the first state to complete arrangements for the registration of men of military age; one of the first to subscribe its share of Liberty Bonds, and one of the leaders in subscribing its quota of the national Red Cross War Fund. Indiana again steps forward in being the first state to name one of its towns after the gallant soldier who is to lead the American army in its fight to "make the world safe for Democracy."

Anyone who doubts that the women of the Old Burnt district are not "doing their bit" to help Uncle Sam win the war should pay a visit to the office of Rep. Elliott in Washington. So far more than two thousand requests for government bulletins on home canning and home drying of fruits and vegetables have been compiled with by Mr. Elliott. These requests have been received from women living in every county in the district and a number from residents of other states. Letters asking for these bulletins still continue to pour in and Mr. Elliott has had to secure a second supply to meet the demand. In the general distribution of these useful booklets Mr. Elliott was greatly aided by newspapers all over the district, who invited their women readers to write to Mr. Elliott for food conservation bulletins. A number of other congressmen are now arranging with newspapers in their districts to advertise the bulletins.

Indiana newspapers recently gave considerable publicity to the action of Mrs. Lavon Zook of Dublin, Wayne county, in writing to the local conscription board that she was proud to give her husband to the colors, assuring the board that while he was at the war she would "see her way through."

And now official recognition is given to Mrs. Zook's self-sacrificing patriotism. In a letter addressed to Rep. Elliott, the provost marshal general, General E. H. Crowder, quotes the letter Mrs. Zook addressed to the local conscription board her husband reported to, and adds: "The sentiments of Mrs. Zook are particularly praiseworthy and it gives me great pleasure to express my appreciation."

State Superintendent of Public Instruction Ellis and C. O. Williams, Wayne county superintendent of schools, representing the state of Indiana, were in Washington Monday to meet with federal educational authorities and were successful in securing aid for the promotion of vocational education in the Indiana schools. The first year, Mr. Williams reports, Indiana will receive about \$28,000 from the United States government for this purpose.

Mrs. Ruth Merrell Jackson of Connersville, and Mrs. Francis Hill and daughter, Miss Mildred, of Indianapolis, were in Washington this week. Other Sixth District visitors in the capital recently were John Millikan of Newcastle, Earl Clark of Fountain City and Frank E. Wissler of Richmond.

CANADA FACING GRAVE CRISIS

General Election in October Will Be First Chance of People to Pass on War Policies

ONE ISSUE CAUSES SPLIT

British Canada Generally Favors Conscription While French Are Opposed

(By United Press.)

Ottawa, Canada, Aug. 23.—Canada is facing its first crisis since the opening of the European war.

A general election is to be called by Premier Berden within the next few weeks for early in the fall. The life of the present Conservative government expires on October 7th. This will be the first opportunity the people of Canada have had to pass upon the war policies of the Berden government since the Dominions plunged into the great conflict.

The government has been split wide open on the issue of conscription, British Canada, generally speaking, supports conscription French Canada is almost solidly opposed. The bitterest and most exciting political campaign in Dominion history is in prospect. Upon the result depends the continuance in power of the present Conservative government and the enforcement of the compulsory military service act.

Leading the Liberal opposition is Sir Wilfrid Laurier, ex-premier and the idol of the French-Canadians of the province of Quebec. A brilliant speaker and a masterly politician Laurier is bending every effort to bring to his standard all the elements in Canada disaffected with the Berden regime.

Already however he has had to face the refusal of twenty two non French-Canadian Liberals in the House from Ontario and the western provinces to follow him in his anti-conscription battle. What strength those conscriptionist Liberal party "belters" can take with them to the polls has become one of the big question marks of the campaign. In its answer may lie the final decision. On the part of the Conservatives they have had to face minor but very significant desertions from the French-Canadian Conservatives.

Canada has 406,000 enlisted men. Her over seas force is made up of five divisions. Four of these are in France and one is held in England as a reserve division. Since the desperate, bloody day at Vimy ridge, heavy drafts have been made on this reserve. Canada must provide more men or soon Dominion troops will be left without reserves. This would mean the elimination of Canada as a fighting factor at the front. Canada must raise 100,000 more men and do it quick.

Voluntary recruiting is a thing of the past. Canada has no great wealth of man power. Eight million people is her top. Already the 400,000 men who so freely gave themselves to service have seriously tightened the labor market in places. Farmers are in straits for help. In many cities clerks and municipal employees are given half holidays from their regular employment in order that they may go into the fields. This shortage is emphasized by the anti-conscriptionists. Conservatives declare there are hundreds of "slackers" in the cities who could be spared and assert that these are the men they want to get too under the law.

Intricate as is this problem alone, it is intermixed with the racial question, an alien enemy tangle, a tremendously difficult financial situation, involving the nationalization of 7,000 miles of railroad and millions of dollars in advances to others, and a line of hoary but still virulent political animosities, which stirred together offer the Canadian voter a political salad unlike anything previous in his entire political experience.

The next few weeks will see stirring times across the border.

BRITISH RESUME DRIVE

(By United Press.)

With the British Armies, August 22.—British troops at 4:45 o'clock this morning resumed their drive between Langemarck and Freyenbergh. Violent fighting is still in progress. At the time of cabling no details had yet reached headquarters.

PROGRAM FOR BANK OPENING

W. A. Hough to Deliver Address at New Salem Wednesday

The program has been announced for the formal opening of the New Salem State bank Wednesday, August 29. William A. Hough of Greenfield will make the principal address at 1:30 in the afternoon following the community dinner which will be served between the hours of 11:30 and 1:30. From 9:30 to 11:30 the time will be devoted to receiving deposits in the new bank. From 2:30 to 4:00 there will be music and a social hour. The public is invited to attend and bring well filled baskets. Refreshments will be served by the Noble township auxiliary of the Red Cross. W. A. Norris is president of the new bank and John F. McKee is the cashier.

WANT ADS BRING RESULTS

SAYS WAR WILL HELP SUFFRAGE

Mrs. Carrie Chapman Catt Declares
Great Conflict Results in Change
of Views

PREJUDICE BREAKING DOWN

Ballot For Women a Measure She
Thinks, Needed as Safe Guard
of Civilization

(By United Press.)

Indianapolis, Aug. 23.—"There is no doubt that all great catastrophes like war deepen the sense of human equality in men's souls," said Mrs. Carrie Chapman Catt, president of the National American Woman Suffrage association, speaking on the subject "Votes and Patriotism," last night at a conference of the Indiana Woman's Franchise League, in session here.

"War opens a new chapter in human values. It is the story Europe has been reading for three years. Men have become significant; women have become significant, strangely so at first, like visiting at Martians. But when women began to stand in the places where men had stood, governments for the first time recognized them as part of the state.

"Suffrage in Great Britain was inevitable when men saw woman as a state asset. The farthest reaching significance of the English suffrage situation lies in the admission of thinking men, men of international distinction, that they have had to capitulate to the utter reasonableness of women's demand for the vote.

"Prejudice and tradition are breaking down everywhere before the onslaught of reason. In Russia Mexico, Canada, France and England women have proved that their service to the state is essential. Argument against their complete enfranchisement now sounds churlish. And men today are in a mood of gratitude and appreciation and not disposed to be churlish.

"A new democracy in Russia accepted women as voters, on the same basis as men and without any resistance, because women and men had worked side by side to make the democracy possible. Women were already a part of the new state as the new state began.

"Municipal suffrage will soon come to France. It will be an outcome of the war, but it will not be because of the war. French women have worked for their vote long and earnestly. Italian statesmen are catching step and also advocating woman suffrage. Out of Hungary, Rumania, Germany, come rumors of like movements. Serbia was well along the road toward women's freedom before the war broke out.

"Ideas of freedom, locked and padlocked in the back of men's minds have been breaking jail in America this year. Five provinces of Canada have given measures of freedom to women within a little more than a year and eight of the United States have followed suit since January, 1917.

"Men have not deliberately shut the door on women. They have been serenely sure they didn't need women in public life until of late. Now they are getting strangely humble.

"Always before this electoral changes have meant extension of the franchise to new groups of voters. Loosely speaking it has meant simply more voters. Votes for women is a movement concerned far less with numbers than with inner meanings. It means informing the whole field of public life with the woman spirit, if it means anything at all. It is this that the war has made evident in Europe and will make evident in America. The housewife's own knowledge must enter into food conservation if it is to be an effective conservation. The nurse's own experience must be requisitioned to make the Red Cross do its best. The understanding women have must be taken into account to keep the camp zone clean, for this is a problem that touches men and women both. The mother's voice is above all the one which will be wanted for deliberations about an increased birth rate to make up for war's ravages unless the world is to be thrust back into that disrespect of the child's right to be well born, out of which it has slowly been emerging.

TERM COWPEAS IS MISLEADING ONE

Indiana Food Dictator Says They
Are Not Peas and Have Nothing
to Do With Cows.

ARE REALLY A KIND OF BEAN

They May Be Used in Many Different
Ways, To Make A Relishing
Dish

(By United Press.)

Indianapolis, Aug. 23.—"If cowpeas were renamed, they would be more popular. They are palpably misbranded—for they are not peas, and they have nothing whatever to do with cows. They are really a kind of bean, and in palatability, digestibility and nutritive value, they compare favorably with the bean."

Harry E. Barnard, food dictator of Indiana, made this statement today in urging Indiana housewives to make more common use of this vegetable as an aid to the state's food-saving campaign. He enumerated several appetizing ways in which the cowpeas may be prepared.

"Cowpeas may be used in the pod, like string beans, shelled green, like shell beans, or dried," he said. They are usually eaten however, in their dried form like navy or lima beans, boiled with a bit of fat meat or bacon and served in place of lean meat or other food rich in nitrogen. Cowpeas make a splendid foundation dish. They may be creamed with milk and butter, like mashed potatoes; formed into croquettes with bread crumbs and fried or baked; made into a loaf with bread crumbs, minced vegetables, milk and seasonings or served as soup.

The experts at Washington describe a delicious combination dish called "Hopping John." This dish is made by boiling one quart of cowpeas and a scant pint of rice separately. After they are thoroughly cooked they should be mixed together and seasoned. Bacon or a beef bone boiled with the cowpeas adds a desirable flavor to the dish.

"The following recipes for other cowpea dishes are so good that they will earn for themselves a favored place in many diets."

Cowpea Soup

"1 tablespoon butter or pork fat; 1 tablespoon finely chopped onion; 1 stalk celery, finely chopped; 1 cup dry cowpeas; salt.

"Soak the peas eight to ten hours in water enough to cover. Fry the vegetables in the butter, add the peas in the water in which they were soaked and cook (preferably in a double boiler) until the peas are tender. Put the mixture through a sieve and add water enough to bring it to the consistency preferred. Reheat. If this soup is thickened with one tablespoon of flour, mixed with a little water, the pea pulp will not sink.

Puree of Cowpeas

(Used like mashed potatoes)

"Soak one pint of dry cowpeas in cold water over night. Cook until soft in just enough water to cover. Drain and pass through a sieve. Season with salt, pepper, one-half cupful cream or milk and a tablespoonful of butter or other fat and 2 tablespoonfuls of brown sugar. Beat thoroughly, reheat, and serve like mashed potatoes.

Baked Cowpeas and Cheese

(Substitute for meat roll.)

"1 tablespoon butter; 1 tablespoon finely chopped onion; 1 tablespoon finely chopped sweet green pepper or celery; 2 cups cooked cowpeas; 1 cup grated cheese.

"Press the peas through a sieve to remove the skins and mix with the cheese. Cook the onion and pepper or celery in the butter or other fat, being careful not to brown and add them to the peas and cheese. Form the mixture into a roll, place on a buttered dish and brown, basting occasionally, with butter or other fat and water. Serve hot or cold like meat."

"It is the consideration of these fundamental truths, not the granting of rewards to ammunition making women, which has made statesmen declare that the ballot for women is a measure needed by a world at war as a safeguard of civilization and an assurance that the world is safe for democracy."

Men's Work shoes, for less.

Mr. and Mrs. Charles Kelso celebrated their golden wedding anniversary yesterday at their home, north of Andersonville. The entire home was decorated with garden flowers and the table where the bounteous dinner was served was adorned with pretty jars of golden glow. Many useful and beautiful gifts were presented to the happy couple and the affair was carried out in like manner to that of fifty years ago. Mrs. William Dagler, sister of Mrs. Kelso, Hester King and Mary Kendrick, sister of Mr. Kelso, Mr. and Mrs. William Williams and Mrs. Harriet Beaver were the only ones present, who attended the wedding. Among the guests were Mr. and Mrs. Kenneth Kelso and family, Mr. and Mrs. Seth Kelso and family, Mr. and Mrs. Paul Kelso and family, Mr. and Mrs. Thomas Kelso and family, Mr. and Mrs. Raymond Kelso and family, Mr. and Mrs. Fred Kelso and family of Greenfield, Miss May Irvin and Louis Harvey Kelso, Miss Mary Alice Kelso of Anderson, Mr. and Mrs. William Dagler, Mr. and Mrs. Charles Dagler of Richmond, Mr. and Mrs. Fred Dagler and daughter, Miss Leona Dagler of Richmond, Mr. and Mrs. Fred King and family, Mr. and Mrs. Willard King and family, Mr. and Mrs. Rosecoe Laforge and family, Mr. and Mrs. Lowell Norris, Miss Ramona Kendrick of Brookville, Mr. and Mrs. Sylvester Colvin, Miss Della McKee of Anderson and Gilbert Brown of Hammond.

Mr. and Mrs. T. M. Ryse celebrated their silver wedding anniversary Sunday at their home three miles west of Carthage with an informal reception from two until six o'clock, at which time they entertained their relatives. Refreshments were served during the afternoon and the guests were: Mr. and Mrs. Claude Morgan and family, Mr. and Mrs. William Morgan and family of this city, Mr. and Mrs. W. H. Riley and family, Mrs. Sarah Hasty and son Albert, Mr. and Mrs. Joseph Hardwick and family and Mr. and Mrs. Wallace Moore and family. In the evening from seven until nine-thirty o'clock they entertained their neighbors, Mr. and Mrs. E. E. Hunt and family, Mr. and Mrs. B. F. Ramsey and family, Mr. and Mrs. Frank King and family, Miss Rena Riddlen and Donald Ruby and Harry Simmerman. Many useful and beautiful presents were received by Mr. and Mrs. Ryse.

Miss Helen Scudder, assisted by Miss Nettie Clark, entertained with a well appointed dinner party last evening at her home in West Second street, honoring her house guest, Miss Corinna Morris of Columbus, O. The places were marked with candles, hooded with pink shades and a dainty color scheme of pink and white was carried out in all of the appointments of the splendid course dinner. The guests were Mr. and Mrs. Ben Hume, Mr. and Mrs. Louis Mauzy and their house guest, Miss Katherine Able of Springfield, O., Miss Nettie Clark and Miss Corinna Morris, Captain Perry Oneal, Lawrence Clark, Robert Hume and Lieutenant Scott Buell.

Mr. and Mrs. Albert Winship were the host and hostess to a number of friends last evening, when they entertained with a six o'clock dinner at their home in North Main street. The affair was given in honor of Lieutenant Lowell M. Green, of the sanitary detachment. A large bowl of garden flowers was used for the center decoration of the attractively laid table. Covers were laid for Lieutenant and Mrs. Lowell M. Green, Mr. and Mrs. Albert Capp, Dr. and Mrs. Carl Beher, Mr. and Mrs. Bert Davison, Mr. and Mrs. Gunn Haydon, Mr. and Mrs. Chase Mauzy, Mr. and Mrs. Howard Davis of Knightstown and Mr. and Mrs. Vincent Young.

Twenty-four girls were present, last evening, when Miss Lucile Gray entertained the members of the Psi Iota Xi at her country home east of this city, with a pitch-in supper and a miscellaneous shower for Mrs. Donald Alexander, who was recently married. The large veranda was decorated with bowls and wall-pockets of golden glow, and a pretty color scheme of yellow and white

was carried out in the two course luncheon. The members of the second division were hostesses to the members of the first division. Mrs. Alexander received many pretty and useful presents.

Mr. and Mrs. George C. Wyatt and daughter Miss Wanda entertained with a course dinner, Tuesday evening, in honor of Warder Wyatt, the occasion being his birthday. Covers were laid for Mr. and Mrs. George C. Wyatt, Mr. and Mrs. Harry Wyatt and son George C. Jr., and Miss Earl Moore and family and Miss Wanda Wyatt.

Miss Alice Norris will entertain with a high noon dinner tomorrow at her home in North Harrison street, when the guests will be Mr. and Mrs. Charles Karmire, the Misses Belle, Etta and Eva Wingate and Mrs. Rhoda Offutt, all of Shelbyville, and Mr. and Mrs. Bert Norris of Noble township, and Miss Bertha Helm.

TO CORRECT WRONG THEORY OF RESERVES

County Council of Defense to Ap-
point Five Men to Sign Article
Concerning Its Merits

TO MEET SATURDAY AT 4 P. M.

The County Council of Defense will meet Saturday afternoon at four o'clock to act on a suggestion contained in a bulletin received by the chairman, A. L. Gary, today, that five most representative men of the community meet and prepare an

About fifteen relatives and friends celebrated Mrs. Johnson Jones' birthday, yesterday by taking their dinners and going to her home in North Arthur street, for dinner. The table presented a gala appearance, being decorated with garlands of golden glow. After dinner the guests presented her with many nice presents, among which were several pieces of cut glass.

The annual reunion of the Mauzy family was held at the city park today.

article about the United States Boys Working Reserve, after a thorough investigation, to correct false impressions about the organization. The bulletin is as follows:

Due to the fact that misinformation regarding the purposes of the United States Boys' Working Reserve has been spread broadcast over the state, causing an unnecessary amount of misapprehension in the minds of many parents, we consider it quite important that the several County Councils immediately request five of the most representative men in their county, outside of the Council, to make a thorough investigation of the purposes of the Boys' Reserve and sign an article setting out their findings in detail. Emphasis should be laid on the fact that the Reserve has absolutely no military purpose, if such is the finding.

CALLED TO NAVY

William Fitzgerald, who joined the navy several weeks ago, was ordered today to report to Indianapolis next Monday morning at nine o'clock, in a letter received today. He expects to go into training at once after reporting.

Mrs. Noah Tryon is ill at her home southwest of this city.

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks step on your feet hereafter; wear shoes a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this Cincinnati authority.

He says that a few drops of a drug called freezezone, applied directly upon a tender, aching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts right out.

This drug is a sticky ether compound, but dries at once and simply shrivels up the corn without inflaming or even irritating the surrounding tissue.

It is claimed that a quarter of an ounce of freezezone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.

No, Pa, don't get a bit thinner. He hasn't a chance to. Ma feeds him with the purest groceries ever bought at a shop where the prices are right. So you see he don't worry about the bills either.

WORK OF W. R. C. FULLY EXPLAINED

Statement by That Organization Shows Its Duty is to Care For Soldiers and Dependents

OUTLINES RECENT ACTIVITY

Presented Five Flags This Year, Contributes to Flag Fund and Serves Dinner to Soldiers

The Woman's Relief Corps today gave out a statement outlining its aims and policies and what it has accomplished, especially in the last year. The statement follows:

The question has been asked: What is the Woman's Relief Corps? The Woman's Relief Corps is an auxiliary to the Grand Army of the Republic.

Our duty is to look after and take care of the soldiers and their dependents, such as father, mother, brother or sister. We provide them with fuel, food, clothing, pay their rent, find homes and employment and in fact, help them in every need.

This year the corps has presented flags to the court room, the Grand Army, the St. Paul's and Second Methodist and Second Baptist churches. We also made a liberal donation to the flag fund for Company B.

The Relief Corps gladly consented to serve the farewell dinner which was given to Company B and the Sanitary Detachment. After serving the dinner, the ladies prepared and filled boxes, which were given the boys. The Relief Corps was given permission to dispose of the food, which was left from the dinner and they called the poor children of the town in and served with a bounteous lunch and gave them provision to take home with them.

The dinners and suppers do not finish the work for these soldiers we will look after them and their dependents at home and assist them in any way we can.

We now have a membership of sixty-six and any loyal and honorable woman may become a member.

FIRM BUYS \$89,000 WORTH OF STOCK HERE

Four Farmers Ship 16 Car Loads of Cattle From Farmers, Bringing Sum of \$50,000

ELEVEN CARS FROM MILROY

A Chicago packing house has just completed the purchase of two herds of cattle and one drove of hogs in this county for a sum near \$89,000.

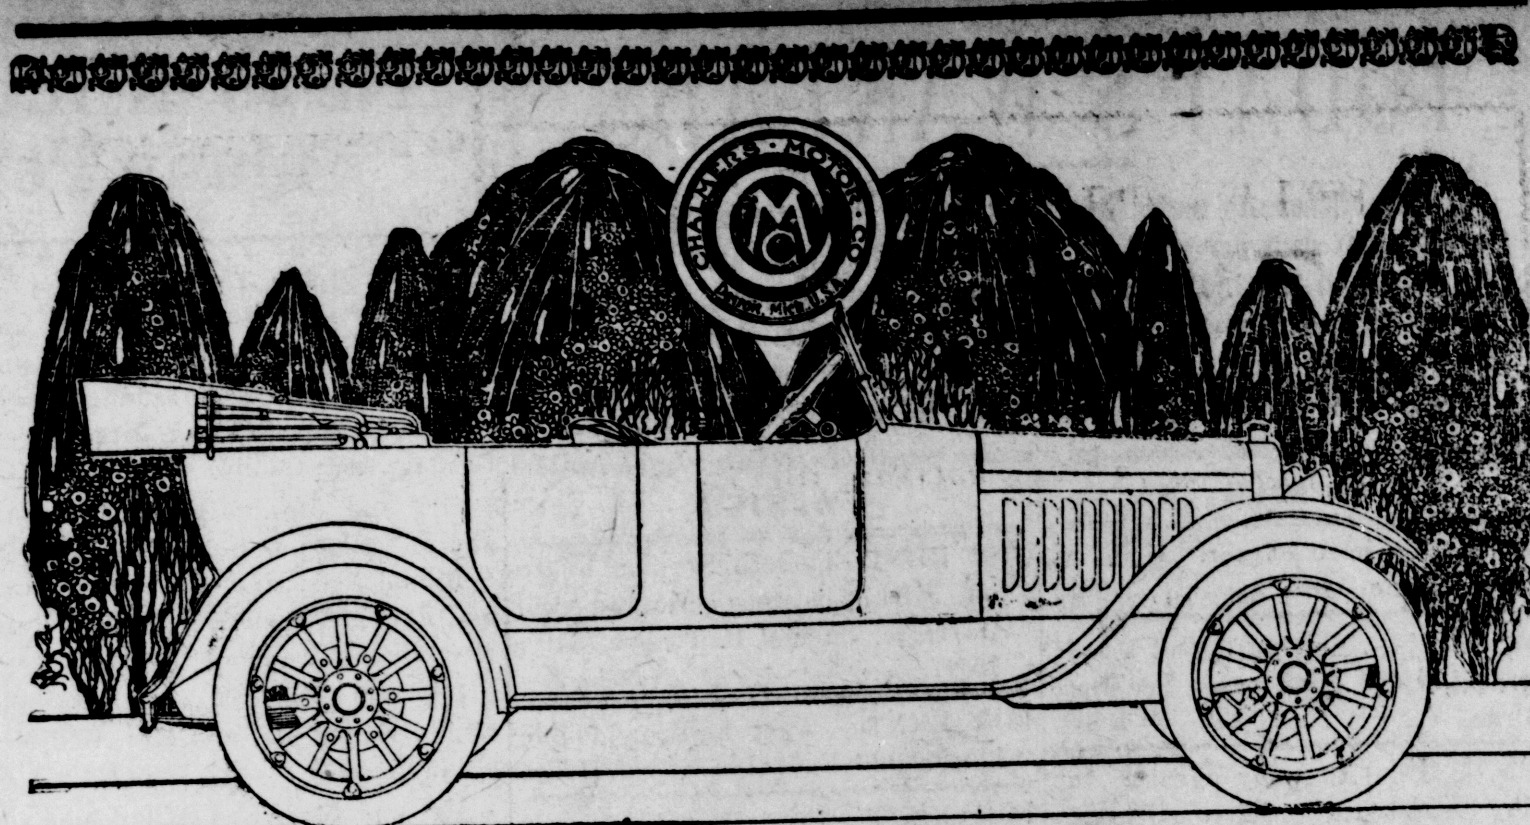

The last shipment was made yesterday from Farmers Station by four farmers who pooled their interests, of sixteen car load of cattle, mostly shorthorns. There were two hundred and forty-four head averaging 1,467 pounds each. They brought fourteen and a quarter cents a pound and the total sum received was slightly in excess of \$50,000. The cattle were sold by J. F. Leisure, N. I. Price, J. A. Leisure and Harry Leisure. They were shipped direct to New York to be butchered Sunday.

The same firm bought eleven car loads of cattle and hogs of J. W. Anderson of south of this city. There were seventy-five head of cattle in this shipment.

HUSBAND SEEKS A DIVORCE

Dr. A. G. Shauck Files Suit Against Apolonia Shauck

Dr. Albert G. Shauck of Arlington has filed suit for divorce from Apolonia Sonia Shauck, alleging cruel and inhuman treatment. He charges she is possessed with a high and ungovernable temper and frequently abused him without cause. Dr. Shauck asserts that she refused to answer the telephone when patients would call and as a result suffered a loss in practice. According to the complaint, they were married January 22, 1915 and separated August 22, 1917. C. W. Duncan represents the plaintiff.

BE IT SPEED OR GENTLE COMFORT, RAGING BEAUTY OR SEDATENESS, HERE AMONG TEN AMAZING NEW CHALMERS FOR THE AUTUMN IS PROBABLY YOUR WISHED FOR CAR—MADE DOUBLY DESIRABLE BY INTERESTING LOW PRICES

Now that business conditions all over the country are improving at a rapid rate we announce some sixty days in advance of the calendar ten Autumn and Winter styles in Chalmers cars as follows: A Roadster that has the "stuff" under the bonnet and a rhythm of motion in every line.

A Town Car that will set many tongues going once it gets at your front door.

A 5-passenger Touring Car that for good sense, good power at low cost has, we feel, never been equalled before in its type.

A Sedan that weighs relatively little, steers easily, and is handy to drive.

A Cabriolet that approaches the limit in comfort.

A Limousine that is done in good taste, sedate in appearance and thoroughly cozy.

A Speedster that tickles the dometer at 80 miles an hour. (This speed guaranteed.)

A 7-passenger Touring Car minus superfluous weight, yet holds the road like a locomotive.

A Town Car Landaulet that reaches a new peak in smartness.

A Limousine Landaulet that is bound to become one of the popular equipages of the day.

You may have seen one or two of these ten new Chalmers for the Autumn and Winter on the street. If you have you will enjoy a treat in looking them over at close range.

Good as they look on the street they appear eminently better upon minute inspection.

These cars are provoking much pleasant comment in those places where good cars are discussed. Whether you intend to buy or not, come and get posted on the trend in motor cars.

TOURING CAR, 5-PASSENGER	\$1250	TOWN CAR, 7-PASSENGER	\$2925
TOURING CAR, 7-PASSENGER	\$1350	TOWN CAR, LANDAULET	\$3025

TO FIX PRICES ON ANTHRACITE COAL

President Wilson Will Also Regulate It, It is Officially Announced Today.

DICTATOR TO BE APPOINTED

(By United Press.)

Washington, Aug. 23.—Prices for anthracite coal will be fixed by President Wilson probably within 24 hours, it was officially stated today. Simultaneously it was announced the president will appoint a "proper dictator" to direct the purchase and distribution of proper products.

It has not yet been decided whether a "steel dictator" will be added to the list, but it appears unlikely now, officials say. The president is eliminating all engagements possible to clean up price fixing work.

It will pay to buy early. Sample Shoe Parlor. 13818

Nine Cases Are Appealed to District Board from Here

A. L. Gary, Local Appeal Agent,
Gives Notice He Will Appeal
From Decision of Local Board

ALL ARE DEPENDENCY CASES

Twenty-Three More Are Certified
to District Board, Most of
Whom Files no Claims

BOARD REFUSES ONE CLAIM

County Has 89 Ready For Army
and District Board is Not Like-
ly to Grant Many Exemptions

SAFELY IN QUOTA IS BELIEF

Men Who Fail to Appear When Cer-
tified For Service Will be
Classed as Deserters

A. L. Gary, local appeal agent for the government, gave notice today that he would appeal to the district board from the decision of the local board in nine cases. All of the nine men whose cases were appealed were granted discharges by the local board on grounds of dependency, many of the men having no children and declaring that their wives were solely dependent upon them.

The action of the government appeal agent came as a surprise, especially to the men who were granted exemption as they believed they were secure. Mr. Gary intimated that more appeals would be made. The appeal list was formally posted in the clerk's office. The nine men whose cases were appealed follow: George F. Billings, Wilbur Linville, Benjamin F. Humes, Corte Reddick, Lowell Vickery, Cecil E. Major, John O. Bennett, Paul Foster and Carl Logan.

A total of 23 names were certified to the district board by the local selection board today for service in the national army. The list for the most part contains the names of men examined the first three days this week and who did not file any claims for exemption. One claim for exemption was refused by the local board, Byron C. Wainwright of this city, who claimed exemption because of dependency of aged and infirm parents, being denied a discharge on this grounds. This makes eighty-nine certified to the district board, which is more than the county's quota.

Morris Bagley, who also originally filed a claim for exemption on the grounds that his parents were dependent upon him, was in the list certified. Mr. Bagley withdrew his affidavits from the board after he found he had signed the papers which contained some things not true. Mr. Bagley stated he did not read the affidavit and therefore did not know what all the statement sworn to contained. Upon investigation he found some things he did not desire to swear to and thus lay himself liable to the government, so the local board granted him permission to withdraw the affidavits.

Bagley told the local board he intended to file a claim with the district board on vocational grounds. The board will grant the withdrawal of any other affidavits known to the persons making them to be false as there is no desire to prosecute under the federal law. If the affidavits go through this is what will likely happen and then despite warnings from the board.

In addition to certifying the twenty-three names to the district board for service in the army, the local board also granted a total of eighteen discharges. All of the discharges were granted on the grounds of dependents.

Nine Cases Appealed To the District Board

The cases of the following men who had been granted exemptions by the local board on the grounds of dependency, were appealed by A. L. Gary, local appeal agent today: Benjamin F. Humes, Rushville. George F. Billings, Rushville. Wilbur Linville, New Salem. Lowell Vickery, Rushville. Cecil E. Major, Rushville. John O. Bennett, Dunreith. Corte Reddick, Mays. Carl Logan, New Salem. Paul Foster, Rushville.

The names sent to the district board today brings Rush county's quota up to 89 and should the district authorities grant some claims it is believed there would still be enough left to make up the quota and the ten per cent over draft asked by the government. A total of 86 names has been certified to the district board for service in the national army. In addition to this the district board has refused three claims from this county on occupational grounds so that the total as is now stands without further word from the district board is 89, which is more than enough to fill the quota and the ten per cent over draft.

Prior to today 63 names had been certified. No word has been received regarding any claims outside of the three and these three were filed direct with the district board. The 23 names added to the list today brings this up to 86 and with the three additional names certified back to the board the total is placed at 89. More word from the district board is expected anytime, but none had been received today. The local board had a number of claims to act on today providing it could get the regular work out of the way.

The results of yesterday's examinations shows that twenty-eight men were passed who filed claims for discharge because of dependents; seven who filed no claim and were accepted and four discharged.

An official announcement from the department of justice states that men certified for service who fail to appear when notified to do so will be treated as deserters. A man who fails to appear for examination before the local board when notified is certified for service after ten days. If he subsequently fails to appear before the appeal board he is officially in the army and subject to army rules, according to George N. Murdock, agent in charge of the investigating work in this state.

Thus far in Rush county four men have failed to appear for examination. Three of these have been certified for service. These three are not counted for the total. The four men who have failed to appear here for examination are Levi Crull, Jr., of South Dakota; Sherman Combs, who was located in La Crosse, Wis.; Horace Jones and Charles Naden. Crull asked permission to be examined in South Dakota but his request came too late and he was certified. Combs was examined at La Crosse without permission of the local board and failed to pass the examination. No word whatever has been heard from Jones and Naden. Jones was last heard from in Richmond, Va.

Naden still has a few days in which to appear before his name is certified for service.

These absentees, whom the local boards are certifying to the district appeal boards, are now the quarry of the agents of the department of justice. Mr. Murdock has called on the police to inquire for the absentees at the address from which they

Orders from Washington received by Mr. Murdock are most explicit as to dealing with absentees caught before they are ordered to the Louisville camp. They are to be put in jail and held there until their time to report at the training camp.

Co. B's Pet Coon Found
and Sent to Camp Shelby
Company B's pet coon, lost or stolen in the rush of en-training here Monday, was found today at the fair grounds by Ralph Newbold, son of Mr. and Mrs. A. N. Newbold, who manage the poor farm, the land of which ad-joins the fair ground. The boys did not miss the pet until almost to Indianapolis and then there was an awful howl. The coon was a great favorite with the boys. He was forwarded to Hattiesburg today by Postmaster G. P. Hunt. It was at first believed the coon was stolen but now it is believed the coon was lost in the excitement of moving.

RED CROSS SHIPS FOUR BOXES TODAY

They Contain 1,321 Articles Which
Will be Placed With Car Load
and Sent Abroad.

SPECIAL REQUESTS TODAY

Asked to Provide Supplies For 4th
Regiment Hospital and Socks
for Sanitary Detachment.

The Rush county chapter of the Red Cross today shipped to the state Red Cross warehouse in Indianapolis four boxes of supplies which will be packed and marked for foreign shipment.

The Red Cross is in receipt of an appeal for supplies for the Fourth Indiana regiment hospital and fifty pairs of socks for the sanitary detachment which is in training here.

The four boxes sent forward today will be shipped out of Indianapolis with a carload from the state Red Cross to Brooklyn, for use abroad. The box contained thirteen hundred and twenty-one articles. The local chapter also sent to the headquarters of the State Council of Defense today fifty pairs of woolen socks, which were knitted here for Indiana soldiers.

This work was done at the request of the state defense body, but hereafter all knitting work will be a branch of the Red Cross work. The local chapter has been allotted three hundred knitted sets and will endeavor to get them out as soon as possible, as well as the fifty pairs of socks for the sanitary detachment.

Emphasis was laid on the fact, however, that too much stress should not be laid on the knitting work because the other activities of the chapter have to go on as usual because the county has to turn out just as much hospital supplies and other work as heretofore. This explains the urgent appeals which have been made lately for more workers.

The chapter is requested to provide twenty pairs of cotton blankets, two hundred bandages and a limited supply of gauze for the regimental hospital of the Fourth Indiana Infantry. The request has a special appeal here because not only Company B, but the medical detachment is well as units of the Fourth. The big majority of the members of both these units are Rush county boys.

The blankets, bandages and gauze will be supplied at once and the knitting contingent of the local chapter and auxiliaries will supply the socks for the sanitary detachment as soon as they can be made. Yarn for knitting the socks may be obtained at Red Cross headquarters here.

COAL PRICES EFFECTIVE

(By United Press.)

Washington, Aug. 23.—The prices fixed by the president for bituminous coal are now in effect. Secretary Tumulty in a telegram to the St. Louis Coal company announced today the new schedule is effective "immediately."

COUNTY IS PROUD OF ITS GUARD UNIT

Company B is Advertised Far and
Wide as First in United States
to Reach Camp

QUARTERED IN A WAREHOUSE

Men Enjoy Swim in Y. M. C. A. Pool
at Jackson, Miss., When Train
Stops Hour and Half

Company B's arrival at Hattiesburg yesterday attracted considerable attention, according to dispatches from the Mississippi city. It was with considerable pride that the people of this city learned that Company B was probably the first guard unit in the United States to reach its permanent training quarters.

All of the press associations carried the story of Company B's arrival and this city received no end of free advertising. Interviews were given out by Capt. Kiplinger and Lieut. Blackledge in which they declared Camp Shelby appeared to be an ideal place to train.

The lack of equipment was one of the things commented on in dispatches. Every company was supposed to have its own tentage, but Company B had none. The officers were under the impression that the tents had been forwarded to Hattiesburg but on arriving this was found not to be the case.

In the absence of tents Company B was quartered in one of the large warehouses, where they will remain until their equipment arrives. The blankets furnished by the government and those loaned by the Red Cross were taken to Camp Shelby. Capt. Kiplinger expected just this sort of thing to happen and made arrangements to take the Red Cross blankets along and then ship them back as soon as the boys were better equipped.

Cards received here today from members of the company said that the special train stopped for one and one-half hours in Jackson, Miss., and the people of the city invited the boys to the Y. M. C. A. where they made good use of the swimming pool.

The local company was not in camp very long before some Kentucky troops arrived. There was quite a contrast in the two state organizations. The Kentucky troops were fully equipped. Late yesterday afternoon two more Indiana companies arrived in camp and the Rush county boys proceeded to make new friends.

One of the interviews attributed to Capt. Kiplinger follows: "South Mississippi is not a new country to me and I was glad from the first that we were sent here. I know the climate and soil is ideal for winter training and that the mosquitoes and malaria which are prevalent in some sections of the state are not found in this section. The site looks ideal to me. When we get some tents and cots we will be fixed fine."

Shortly before arriving in Hattiesburg the company ran into a heavy rain and the men had visions of having to unload in the mud, but to their surprise the ground was dry in the morning when the work started. This is one of the peculiar conditions of the soil.

PROPERTY TOTALS \$29,700

The personal property on the old Cullen farm west of Rushville, which is run by Will L. Brown, was found to be worth \$29,700 when it was appraised yesterday by a board composed of Ed Chambers, Carey Patton and Glen Miller. It included all the personal property except the wheat crop and several head of hogs ready for the market. This sum included two hundred acres of corn. The inventory was taken because Mr. Brown and Dr. J. C. Sexton will farm the place on the shares. Mr. Brown has been paying cash rent.

CARTHAGE SOCIAL HAS LARGE CROWD

Chilly Weather Not Conducive to
Sale of Ice Cream, But Peo-
ple Enjoy Band Concert

TALK BY CHAUNCEY DUNCAN

Pleasure For Rushville People to be
Able to Visit in Carthage on
Such an Occasion

Although postponed one night, the community social at Carthage attracted a large crowd last night. The street in the immediate vicinity of the vacant lot in the heart of the business part of town was jammed with automobiles and the grounds surrounding the social were crowded with people. The place where the social was held was well lighted.

The women of the Christian church made twenty dollars on the festival. The night was chilly following the rain, which was not conducive to the sale of ice cream. Residents of Carthage said it did not rain night before last, the original date for the social, but the weather was threatening all evening. It rained here, however, that night and it is probable that the crowd from here would not have been as large as it was last night.

Chauncey Duncan made a short talk on behalf of the Rushville business men, who co-operated with the church in giving the festival. He declared that it was a great pleasure to Rushville people to be able to visit in Carthage on such an occasion.

"The organization assisting you," he said, "sort of looked forward to Carthage as the promised land. We are sorry we could not come last night but a more welcome thing—the rain—came. Rushville people always know they are in the hands of their friends when they come to Carthage. We come together a few times every year and mingle together. A few years ago we were not so closely linked as a community as now when we are blessed with good roads and other modern conveniences."

"Carthage is a very important business center. It is has splendid and capable business men. You are surrounded by a fine farming community, one of the best in the county or the state for that matter. The community social is for the purpose of becoming better acquainted. The merchants do not mean to try to cause you to trade in Rushville. There is no intention to try to take any trade away from your merchants, but if you can not find what you want here, come to Rushville and we are sure we can supply you."

The Odd Fellows band gave a program of music and was enthusiastically applauded by the crowd. Several patriotic numbers, including the new marching song which the band plays, especially met with the favor of the people.

Among the people from here who went were: Mr. and Mrs. Merrill Ball and family, Mr. and Mrs. Jess Poe, Edmund Gartin, Miss Hettie Rutherford, Mr. and Mrs. Jack Knecht, Miss Sue Gregg, Mr. and Mrs. Will O. Feudner, Mr. and Mrs. O. M. Dale, Mrs. Emma Havens, Will M. Bliss, Dr. Frank M. Sparks, Dr. F. G. Haeckleman, Charles A. Frazee, Roy E. Harrold, Frank Priest, Charles Caron, Jerome Caron, Joe Miller, Chauncey Duncan, Charles A. Mauzy, Will Leach, Mr. and Mrs. Derby Green, George Wiltse, Mr. and Mrs. R. W. Noyer, Mrs. Louis C. Lambert, Mr. and Mrs. Knowles Casady, Mr. and Mrs. E. R. Casady and family, Mr. and Mrs. R. H. Jones, Roy Beaver and Henry Bandrant.

Twin girls were born to the wife of George Alexander, living in North Perkins street, this morning.

Cox's Shoe Store

"Style Confidence"

That is what every woman has who steps out before her friends, wearing a pair of our boots. The designers of these shoes are intimate with the latest fashion trend and the patterns they produce are always in close harmony with the Dress Modes of the hour.

LENS STILL HOTTEST POINT IN FIGHTING

Canadians Advance Struggling Line Slightly And on Ypres Front Attack is Repulsed

FRANCE HAS 8,426 CAPTIVES

(By United Press.)

London, Aug. 23.—Lens was still the hottest point in the fighting on the British front today. The Canadians advanced their struggling line slightly. Field Marshal Haig's report said the advance was south-east of the French coal city.

"On the Ypres battle front, east of Langemark a hostile attack at a strong point under gun fire was repulsed," the British commander-in-chief asserted.

CONCENTRATE ARTILLERY

With the Italian Army, Aug. 23.—A gun every thirty yards over a front of 37 miles was the concentration of Italy's artillery achievement today at one place in the great line where Gen. Cadorna's men pressed onward. Approximately 2,000 artillery pieces of every conceivable calibre were extremely active in this sector.

24 CANNON TAKEN

Paris, Aug. 23.—Prisoners in France's great drive taken since Monday were increased today to a total of 8,426, according to the war office statement. Of these 7,640 were unwounded; 600 were hospital cases and there were 186 officers. Other fruits of the great victory were 24 cannon and more than 200 machine guns.

SENTENCE SUSPENDED

Fred Smith, alias Fred Brunner, who was arrested last Sunday after attempting to steal a Ford auto and two bicycles, was arraigned before Judge Sparks in juvenile court today and sentenced to the Boys' school at Plainfield. The sentence was suspended pending good behavior. The boy is 16 years old and makes his home with L. J. Lane, northeast of the city.

R. W. NOYER ARRESTED

R. W. Noyer was arrested this morning for operating an automobile without a state license and entered no plea when arraigned before Mayor Bebout. He had Ohio license plates on his machine and the affidavit alleges he was violating the law when he did not get an Indiana license after residing here sixty days. Prosecutor Stevens filed the affidavit yesterday afternoon about four o'clock.

ASSESSMENTS OF UTILITIES FIXED

County Auditor is Now Able to Certify Amount of Taxables to City Council

I. & C. VALUATION \$151,277

Total Value of Railroad Property in The County is Placed at \$1,113,513

The assessments of public utilities, as fixed by the state board of tax commissioners was received yesterday by County Auditor McMillin. This is the reason the amount of taxables in the city was not certified to the city council. The auditor did not have the utilities assessments and therefore would not give the council the correct amount of taxable property in the city.

The total value of the railroad property is placed at \$1,113,513 by the state board and the Indianapolis and Cincinnati traction company's property at \$151,277. These are the amounts on which taxes will be paid.

The railroad property was assessed as follows: C. I. & W. \$432,450; Big Four, \$181,455; Big Four use of L. E. & W., \$420; L. E. & W., \$80,145; Pennsylvania (Indianapolis division), \$24,885; Pennsylvania (Cambridge City division), \$277,608; Vernon, Greensburg and Rushville, \$116,470.

Gas companies were assessed as follows: Cambridge City Gas company, \$7,138; Charlottesville gas company, \$320; Rushville Natural Gas company, \$20,397; Tide Water Pipe Company, Limited, \$26,119; Fuel Gas company, \$1,275.

Of the telephone companies the Rushville Co-operative company is taxed the highest. This company is called upon to pay an assessment of \$80 a mile on a total of 471.5 miles. This means an assessed valuation of \$37,720 on toll lines.

The telephone company assessments follow: Central Union, 340.11 miles are \$37 a mile; Indianapolis Telephone company, 96 miles at \$30 a mile; Arlington Telephone company, 368 miles at \$12 a mile; Beech Valley Rural Telephone company, 60 miles at \$15 a mile; Knightstown Telephone company, 58 miles at \$36 a mile; New Salem Telephone company, 96 miles at \$16 a mile; Orange Mutual Telephone company, 110 miles at \$15 a mile; Pleasant View Rural Telephone company, 4.5 miles at \$40 a mile; Ripley Farmers Co-operative Telephone company, 374 miles at \$20 a mile; Spiceland Telephone company, 15 miles at \$27 a mile and the Waldron Telephone company, 41 miles at \$20 a mile.

DIES OF APOPLEXY AT AGE OF SEVENTY

Mrs. Samuel Griffith Expires at Her Home Near Moscow Following Two Strokes in Ten Days.

HUSBAND AND 2 CHILDREN

Mrs. Susanne Griffith, 70 years old, wife of Samuel Griffith, died last evening at 6:30 o'clock at her home, one-half mile east of Moscow, following a short illness from apoplexy. Mrs. Griffith first suffered a stroke a week ago Tuesday and on Monday of this week suffered a second stroke. Since then she had been in a critical condition and her death had been expected.

Besides her husband she is survived by two children, Elmer E. Griffith of North Jackson street, this city, and Miss Carrie, at home. She is also survived by one brother, Solomon Apple of St. Omer, and three sisters, Mrs. Charles Thompson of St. Paul, Mrs. Lowe of St. Omer and Mrs. Isley of Illinois.

The funeral services will be conducted Friday afternoon at two o'clock at the late residence by the Rev. John Seull, assisted by the Rev. Mr. Hester. Burial will take place in the Moscow cemetery.

The funeral of Deloris Glover, the four-months-old child of Mr. and Mrs. Charles Glover of West Sixth street, who died this morning, will be held at the residence tomorrow afternoon.

Mobil

Your New Car

The first 1,000 miles is the most critical period in its life. Until the moving parts are fully adjusted to each other, they need constant watching. If well maintained your car will run better the 2,000th mile than the first.

Let us watch it during its first 1,000 miles and save you serious trouble later on.

Correct Lubrication is an important factor. The correct grade of Gargoyle Mobiloils will be your best protection during the first 1,000 miles—and every mile thereafter.

THE BUSSARD GARAGE

Attention Mr. Farmer

Vaccinate your hogs with the Swine Breeders Pure Serum made at Thorntown, Indiana, and be assured of good success in your vaccination.

We administer serum for \$1.75 a hundred or 1 3/4 cents a cc. for non-stockholders. That is, put in the hog, and \$1.35 per c. c. for stockholders. This is strictly a high class serum and gives the farmer good insurance against the ravages of HOG CHOLERA. We are prepared to answer calls for vaccination at all times and have an office with the Nipp Insurance Co., over the Rushville National Bank.

—Mr. and Mrs. A. N. Newbold attended the funeral of William McKee in Connersville today.

—Miss Mayme Mullins visited in Connersville today and attended the funeral of William McKee.

—Harold Perkins, Francis Knecht, and Everett Oakley visited friends in Connersville today and attended the fair.

—Mr. and Mrs. Charles Wilson and son Donald are visiting relatives and friends in Hammond, Ind., and Chicago.

—Miss Mary Ellen Hughes left today for a few days visit with friends in Connersville and to attend the fair.

—Alva Newhouse and son Byron, Frank Flint and Bruce Matlock motored to Connersville today and attended the fair.

—Miss Gladys Newbold of Indianapolis is spending a two weeks' vacation with Mr. and Mrs. A. N. Newbold, east of the city.

—Mrs. Leroy Lines and daughter, Miss June, of Milroy left yesterday for a ten days' camping trip at Broadripple Park, Indianapolis.

—Mr. and Mrs. A. J. Perkins, Mr. and Mrs. Ed Perkins and Mrs. J. F. Fore motored to Lebanon today to visit relatives and attend the Boone county fair.

—Miss Lorene Newhouse of Toledo, O., who has been visiting Miss Pauline Gosnell for several weeks, went to Frankfort today for a visit before returning home.

—Mr. and Mrs. P. J. Kennedy and Miss Kathryn Wallace of Newcastle and Ed Wallace of Bicknell motored here last evening and visited Mr. and Mrs. Charles Caron and family.

—Leo B. Mull of Cedar Rapids, Iowa, came Sunday and visited Mr. and Mrs. George C. Wyatt. He was accompanied home by Mrs. Mull and children, who have been here for an extended visit.

—Mrs. Amanda Sweiger returned to her home in Shinnston, West Va., today after an extended visit with Mr. and Mrs. W. A. Woollen. She was accompanied home by Miss Hazel Woollen, who will remain for a few weeks visit.

RECALLS SCENES IN PARIS JULY 4

Mrs. Theresa Conover, Visiting Parents Yesterday, Tells of Inspiring Events

HEARD GEN. PERSHING SPEAK

Expresses Belief War Will Not Last More Than Year Because of Unrest Among People

Mrs. Theresa Maxwell Conover, who lately returned from a several months stay in France, spent yesterday with her parents, the Rev. and Mrs. Daniel Ryan of Glenwood, and left last evening for New York. She was in Rushville in the afternoon and called on John K. Gowdy, former consul-general to Paris.

Mrs. Conover had opportunity while in Paris to gain intimate knowledge of the conditions in European countries. She talks interestingly of the war.

Mrs. Conover believes that the war will not last more than a year because the people of Austria-Hungary are sick of fighting and because there is a state of unrest in Germany which might bring the war to a close at any time.

She says that trench warfare might go on forever and not be a deciding factor in the war, only in that brilliant victories by the allies might lower the morale of the German army and weaken the spirit of the German people.

Mrs. Conover was in Paris the Fourth of July when America's Independence Day was celebrated by French and American troops. Mrs. Conover heard General Pershing speak briefly at the tomb of General Lafayette and also at the Opera.

Comique when General Pershing was induced to come on the stage for a moment. She said both were the most inspiring sight she ever witnessed.

Mrs. Conover declared the appearance of the vanguard of United States troops in the streets of Paris had a most stimulating effect on the people of France, the thing which was desired. She said General Pershing was taken in public as much as possible so as to keep the idea uppermost in the minds of the people that the United States had made practical steps toward entering the war.

Mrs. Conover has many interesting pictures, among them a view of a bomb crater where a disabled Zeppelin, with 28 persons aboard, was buried by the explosion of its own bombs.

Washington, Aug. 23.—The American Federation of Labor today joined forces working for conscription of wealth, and death of war profits.

GERMANY BRUISED BY NEW OFFENSIVE

New York, Aug. 23.—Germany has been badly bruised by the allies' concerted offensive but she still has strength to fight every inch of those gains and throw thousands of men into unending counter attacks.

In addition she has strength enough to start a powerful thrust against the Russian Rega front. Petrograd admitted German gains.

Official statement from belligerent camps plainly show this German strength today. They indicate the chain of battle on the west front has slackened. England's attacks were concerted around Lens and there United Press dispatches showed the Germans had thrown no less than thirty violent counter attacks against the onslaughts of the Canadians. The British, however, were slowly gaining ground.

France's great offensive at Verdun apparently ceased today.

American Lady Corsets

Protect and Preserve Your Good Figure.

YOU owe it to yourself to protect and preserve the natural charm and grace of your good figure.

You know women who, at forty, are as stylish in figure, as graceful and erect as they were at twenty. If you ask them how they have kept their figures so youthful looking, they'll answer: "By always wearing the right corset."

That is it—wearing the right corset, the corset made for you, for your exact type of figure. Insist on having a corset that is designed for your exact type of figure.

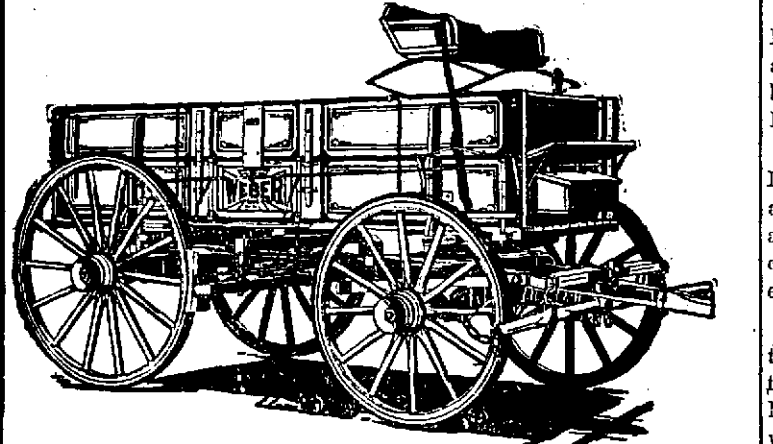

There are many good corsets good in material, in workmanship and outward appearance, but you can never be so sure of getting just the right model for your figure as you are if you ask for

The Weber Always Leads

ABOUT 1845, when the first Weber was built, you could not buy a better wagon than a Weber. There were no better built. Weber made "the best" his standard.

That was over seventy years ago, but the standard has been the same every year since. You know that, from the good work you have seen Weber wagons doing. You know they have been always popular.

We can show you, if you come in, that "the best" is the Weber standard to-day. We want to show the wagon to you in the up-to-date form, with every improvement, some of which you can't find on any other make of wagon.

You can see, here in the store, the new fifth wheel, the folding end gate, the link end rods, the strong construction of gears, wheels, and boxes. Come in the first chance you have and see this wagon.

Give Wheat Good Bed

"Make the seed bed fit for the seed. Do not 'intern' wheat worth \$3 or \$4 a bushel for seed purposes in a condition of soil impossible for germination."

That precaution is urged by the United States Department of Agriculture on all farmers who contemplate sowing the high-priced food this fall. To plant seed on poorly prepared land not only wastes the seed that does not germinate, the specialists point out, but it may mean the loss of an entire investment if a paying stand is not obtained.

"A seed bed for wheat must be firm, moist, and well compacted beneath with a mellow, finely divided upper three inches of soil," the specialists advise. "If wheat is grown in rotation with oats or after wheat, the stubble should be plowed to a depth of at least 7 inches immediately after harvesting the preceding crop of grain. The ground should be harrowed within a few hours after plowing and cultivation with harrow, disk, drag, or roller should be given as necessary thereafter until planting time. These operations are necessary to kill weeds, to settle and make firm the sub-soil, and to maintain a soil mulch on the surface. The earlier the preparation of a seed bed for wheat is started the better the condition of the soil will be at planting time. Late plowing does not allow time for thorough preparation."

Sound, clean, healthy seed is the first requisite for the largely increased wheat crop which the United States Department of Agriculture hopes to see harvested next year. Whatever the source of supply farmers will find it to their advantage, says the department, to see that only good seed is planted. What has been said is equally true of seed for the rye crop which the department hopes to see much larger than usual next year.

"If a farmer has seed from his own crop which is satisfactory so far as variety and general condition are concerned, he should lose no time in getting it into shape for storage until planting time," the department says. "The fanning mill is the farmer's best friend in this task. The farmer, by all means should have such a mill and if he has not and is unable to obtain one, should borrow or rent his neighbor's mill, or several farmers can join in buying one. A fanning mill removes weed seeds, smut and shriveled grain and leaves only plump kernels, practically every one of which may be depended upon to produce a thrifty plant. After it is cleaned, however, the seed should be treated in order that the smut may be prevented. Scab is less likely to be prevented by seed treatment, but the use of the fanning mill will assist materially in improving the crop grown from seed known to have contained scabby kernels."

Two thousand letters, each one offering a solution of the submarine problem, were received by the navy department in one week. If these

Town Improvement

The Franchise A Sacred Duty

(Contributed)

About the biggest thing in the United States today is the government itself. And had you ever thought that a little three-by-seven slip of paper has made this government the mighty world power it is? Fact—the ballot.

The franchise is the one thing of which Americans should feel prouder than of any other or all others of their possessions. It is the solution of every question that can possibly arise, the answer to every objection that can ever be raised. It is the power that unlocks the door to opportunity and spreads wide the gate to the field of achievement.

A great statesman has made the assertion that you can trust the people, when unhampered and uninfluenced, to do the right thing. We might safely go a step further and assert that whatever the people do, when unhampered and uninfluenced, is right.

Is there a higher power on earth than the majority of its inhabitants? If not, then there can be no appeal from their expressed will. We do not consider the old world theory of the divine right of kings, because we shook ourselves free from that superstition more than a century ago. Of course the question of the Divine Will is to be considered, but as we are each supposed to be following the dictates of his own conscience, that, to us, is RIGHT.

But we qualify and assert that the voice of the people can not be unquestionably right unless it is the voice of ALL of the people. The WHOLE can not err. Parties and factions can and do.

And therein lies the source of all that is wrong, all that is imperfect, all that is not RIGHT in our body politic. We do not get a free ex-

pression of the will of All of the people. Let us repeat: Partial expression may be right or may be wrong; the expression of the whole CAN NOT be wrong, because from it there is no appeal.

All of which is preliminary to the statement that besides being a privilege of which all should feel proud, the franchise is a DUTY that rests upon each one, and one from which no man may escape and remain blameless.

Have you ever thought that, when the voice of the people is called for and your voice is lacking, the answer is incomplete? Yet such is the fact, and it may be that your voice would have changed the result.

How many times have you heard it said of the result of an election, "it was the stay-at-home vote that did it." And in every such case, if a wrong was perpetrated, it was the stay-at-homes who were responsible. You hadn't thought of it in just that light, eh? Well, perhaps not, but think of it hereafter.

Periodically there will be elections in this town, and your town has a right to expect YOUR vote to be registered. It has the right to expect that your vote will express YOUR HONEST convictions. And it has the right to expect the same of EVERY voter within its confines. And when, or if, this result is achieved, the result is RIGHT. It may not accord with your views or your wishes but it is RIGHT, because it is ULTIMATE.

The town that, as a whole, can be brought to view this question of the franchise in this its true light, has taken a long stride forward in civic well being, and will find as it puts into practice these principles, that many of its vexing questions will answer themselves and its knotty problems will be solved.

CARTHAGE HOPES TO HAVE CLUSTER LIGHTS

Seven Are Provided For And Remainder Will Be Subscribed Before Payment is Completed

RAPID PROGRESS ON STREET

The town of Carthage has hopes of installing fourteen ornamental cluster lights similar to those in Rushville before the cement street being built through the town is completed. Every effort is being made to raise sufficient money to guarantee the lights so the conduits can be laid before the pavement is laid. Seven lights have been provided for and the boosters for the project are confident that the other seven will be provided for.

Rapid progress is being made on the street improvement. The curb and gutter is all in and the two cement bridges, one at the south end and the other at the north end of town have been completed. The contractor hopes to be actual work putting down cement within two weeks. Once he starts this will not require much time. Contractor Miller is completing a job at New Albany and will take his big cement mixer to Carthage as soon as it is finished.

WILL MAP OUT YEAR'S PLAN

Suffrage Activities To Be Decided on At Conference

Indianapolis, Ind., Aug. 22—Plans for suffrage activities in Indiana for the coming year will be mapped out today and tomorrow at a conference of suffrage leaders from all parts of the state which started here this morning. Headquarters for the convention were established at the Claypool hotel.

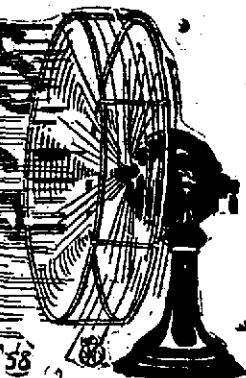

A closer working organization of members of the party in Indiana in preparation for another attempt to gain full woman suffrage, is desired by the leaders, and plans for accomplishing this purpose will be thoroughly discussed.

A feature of the convention will be an address by Mrs. Carrie Chapman Catt, president of the National American Woman's Suffrage association.

ANOTHER BLUE RIBBON FOR STATE

East Germantown, Wayne County, is
First to Honor Pershing by
Changing Its Name.

IT IS NOW PERSHING, INDIANA

Rep. Elliott Has More Than 2,000
Requests For Canning and
Drying Bulletins.

(By W. R. POUNDSTONE)

Washington, August 23—All Indiana community, the town of East Germantown, in Wayne County, is the first in the United States to honor officially General "Black Jack" Pershing, commander of the American forces now in France, by adopting his name as its own.

Acting upon a petition, said to have been signed by practically every resident of the town, J. C. Koons, First Assistant Postmaster General, has officially notified Rep. Richard N. Elliott of the Sixth Indiana District that East Germantown now appears on the official postal records as Pershing, Indiana.

Give Indiana another blue ribbon. The first of the larger states to supply its quota of volunteer troops; the first state to complete arrangements for the registration of men of military age; one of the first to subscribe its share of Liberty Bonds, and one of the leaders in subscribing its quota of the national Red Cross War Fund. Indiana again steps forward in being the first state to name one of its towns after the gallant soldier who is to lead the American army in its fight to "make the world safe for Democracy."

Anyone who doubts that the women of the Old Burnt district are not "doing their bit" to help Uncle Sam win the war should pay a visit to the office of Rep. Elliott in Washington. So far more than two thousand requests for government bulletins on home canning and home drying of fruits and vegetables have been complied with by Mr. Elliott. These requests have been received from women living in every county in the district and a number from residents of other states. Letters asking for these bulletins still continue to pour in and Mr. Elliott has had to secure a second supply to meet the demand. In the general distribution of these useful booklets Mr. Elliott was greatly aided by newspapers all over the district, who invited their women readers to write to Mr. Elliott for food conservation bulletins. A number of other congressmen are now arranging with newspapers in their districts to advertise the bulletins.

Indiana newspapers recently gave considerable publicity to the action of Mrs. Lavon Zook of Dublin, Wayne county, in writing to the local conscription board that she was proud to give her husband to the colors, assuring the board that while he was at the war she would "see her way through."

And now official recognition is given to Mrs. Zook's self-sacrificing patriotism. In a letter addressed to Rep. Elliott, the provost marshal general, General E. H. Crowder, quotes the letter Mrs. Zook addressed to the local conscription board her husband reported to, and adds: "The sentiments of Mrs. Zook are particularly praiseworthy and it gives me great pleasure to express my appreciation."

State Superintendent of Public Instruction Ellis and C. O. Williams, Wayne county superintendent of schools, representing the state of Indiana, were in Washington Monday to meet with federal educational authorities and were successful in securing aid for the promotion of vocational education in the Indiana schools. The first year, Mr. Williams reports, Indiana will receive about \$28,000 from the United States government for this purpose.

Mrs. Ruth Merrell Jackson of Connersville, and Mrs. Francis Hill and daughter, Miss Mildred, of Indianapolis, were in Washington this week. Other Sixth District visitors in the capital recently were John Millikan of Newcastle, Earl Clark of Fountain City and Frank E. Wissler of Richmond.

CANADA FACING GRAVE CRISIS

General Election in October Will Be
First Chance of People to Pass
on War Policies

ONE ISSUE CAUSES SPLIT

British Canada Generally Favors
Conscription While French Are
Opposed

(By United Press.)

Ottawa, Canada, Aug. 23.—Canada is facing its first crisis since the opening of the European war.

A general election is to be called by Premier Berden within the next few weeks for early in the fall. The life of the present Conservative government expires on October 7th. This will be the first opportunity the people of Canada have had to pass upon the war policies of the Berden government since the Dominions plunged into the great conflict.

The government has been split wide open on the issue of conscription. British Canada, generally speaking, supports conscription. French Canada is almost solidly opposed. The bitterest and most exciting political campaign in Dominion history is in prospect. Upon the result depends the continuance in power of the present Conservative government and the enforcement of the compulsory military service act.

Leading the Liberal opposition is Sir Wilfrid Laurier, ex-premier and the idol of the French-Canadians of the province of Quebec. A brilliant speaker and a masterly politician Laurier is bending every effort to bring to his standard all the elements in Canada disaffected with the Berden regime.

Already however he has had to face the refusal of twenty two non-French-Canadian Liberals in the House from Ontario and the western provinces to follow him in his anti-conscription battle. What strength those conscriptionist Liberal party "belters" can take with them to the polls has become one of the big question marks of the campaign. In its answer may lie the final decision. On the part of the Conservatives they have had to face minor but very significant desertions from the French-Canadian Conservatives.

Canada has 406,000 enlisted men. Her over seas force is made up of five divisions. Four of these are in France and one is held in England as a reserve division. Since the desperate, bloody day at Vimy ridge, heavy drafts have been made on this reserve. Canada must provide more men or soon Dominion troops will be left without reserves. This would mean the elimination of Canada as a fighting factor at the front. Canada must raise 100,000 more men and do it quick.

Voluntary recruiting is a thing of the past. Canada has no great wealth of man power. Eight million people is her top. Already the 400,000 men who so freely gave themselves to service have seriously tightened the labor market in places. Farmers are in straits for help. In many cities clerks and municipal employees are given half holidays from their regular employment in order that they may go into the fields. This shortage is emphasized by the anti-conscriptionists. Conservatives declare there are hundreds of "slackers" in the cities who could be spared and assert that these are the men they want to get too under the law.

Intricate as is this problem alone, it is intermixed with the racial question, an alien enemy tangle, a tremendously difficult financial situation, involving the nationalization of 7,000 miles of railroad and millions of dollars in advances to others, and a line of hoary but still virulent political animosities, which stirred together offer the Canadian voter a political salad unlike anything previous in his entire political experience.

The next few weeks will see stirring times across the border.

BRITISH RESUME DRIVE

(By United Press.)

With the British Armies, August 22.—British troops at 4:45 o'clock this morning resumed their drive between Langemarck and Freyenberg. Violent fighting is still in progress. At the time of cabling no details had yet reached headquarters.

PROGRAM FOR BANK OPENING

W. A. Hough to Deliver Address at
New Salem Wednesday

The program has been announced for the formal opening of the New Salem State bank Wednesday, August 29. William A. Hough of Greenfield will make the principal address at 1:30 in the afternoon following the community dinner which will be served between the hours of 11:30 and 1:30. From 9:30 to 11:30 the time will be devoted to receiving deposits in the new bank. From 2:30 to 4:00 there will be music and a social hour. The public is invited to attend and bring well filled baskets. Refreshments will be served by the Noble township auxiliary of the Red Cross. W. A. Norris is president of the new bank and John F. McKee is the cashier.

SAYS WAR WILL HELP SUFFRAGE

Mrs. Carrie Chapman Catt Declares
Great Conflict Results in Change
of Views

PREJUDICE BREAKING DOWN

Ballot For Women a Measure She
Thinks, Needed as Safe Guard
of Civilization

(By United Press.)
Indianapolis, Aug. 23.—"There is no doubt that all great catastrophes like war deepen the sense of human equality in men's souls," said Mrs. Carrie Chapman Catt, president of the National American Woman Suffrage association, speaking on the subject "Votes and Patriotism," last night at a conference of the Indiana Woman's Franchise League, in session here.

"War opens a new chapter in human values. It is the story Europe has been reading for three years. Men have become significant; women have become significant, strangely so at first, like visiting at Martians. But when women began to stand in the places where men had stood, governments for the first time recognized them as part of the state."

"Suffrage in Great Britain was inevitable when men saw woman as a state asset. The farthest reaching significance of the English suffrage situation lies in the admission of thinking men, men of international distinction, that they have had to capitulate to the utter reasonableness of women's demand for the vote."

"Prejudice and tradition are breaking down everywhere before the onslaught of reason. In Russia, Mexico, Canada, France and England women have proved that their service to the state is essential. Argument against their complete enfranchisement now sounds churlish. And men today are in a mood of gratitude and appreciation and not disposed to be churlish."

"A new democracy in Russia accepted women as voters on the same basis as men and without any resistance, because women and men had worked side by side to make the democracy possible. Women were already a part of the new state as the new state began."

"Municipal suffrage will soon come to France. It will be an outcome of the war, but it will not be because of the war. French women have worked for their vote long and earnestly. Italian statesmen are catching step and also advocating woman suffrage. Out of Hungary, Rumania, Germany, come rumors of like movements. Serbia was well along the road toward women's freedom before the war broke out."

"Ideas of freedom, locked and padlocked in the back of men's minds have been breaking jail in America this year. Five provinces of Canada have given measures of freedom to women within a little more than a year and eight of the United States have followed suit since January, 1917."

"Men have not deliberately shut the door on women. They have been serenely sure they didn't need women in public life until of late. Now they are getting strangely humble."

"Always before this electoral changes have meant extension of the franchise to new groups of voters. Loosely speaking it has meant simply more voters. Votes for women is a movement concerned far less with numbers than with inner meanings. It means informing the whole field of public life with the woman spirit, if it means anything at all. It is this that the war has made evident in Europe and will make evident in America. The housewife's own knowledge must enter into food conservation if it is to be an effective conservation. The nurse's own experience must be requisitioned to make the Red Cross do its best. The understanding women have must be taken into account to keep the camp zone clean, for this is a problem that touches men and women both. The mother's voice is above all the one which will be wanted for deliberations about an increased birth rate to make up for war's ravages unless the world is to be thrust back into that disrespect of the child's right to be well born, out of which it has slowly been emerging."

TERM COWPEAS IS MISLEADING ONE

Indiana Food Dictator Says They
Are Not Peas and Have Nothing
to Do With Cows.

ARE REALLY A KIND OF BEAN

They May Be Used in Many Different
Ways, To Make A Relishing
Dish

(By United Press.)
Indianapolis, Aug. 23.—"If cowpeas were renamed, they would be more popular. They are palpably misbranded—for they are not peas, and they have nothing whatever to do with cows. They are really a kind of bean, and in palatability, digestibility and nutritive value, they compare favorably with the bean."

Harry E. Barnard, food dictator of Indiana, made this statement today in urging Indiana housewives to make more common use of this vegetable as an aid to the state's food-saving campaign. He enumerated several appetizing ways in which the cowpeas may be prepared.

"Cowpeas may be used in the pod, like string beans, shelled green, like shell beans, or dried," he said. They are usually eaten however, in their dried form like navy or lima beans, boiled with a bit of fat meat or bacon and served in place of lean meat or other food rich in nitrogen. Cowpeas make a splendid foundation dish. They may be creamed with milk and butter, like mashed potatoes; formed into croquettes with bread crumbs and fried or baked; made into a loaf with bread crumbs, uniced vegetables, milk and seasonings or served as soup."

The experts at Washington describe a delicious combination dish called "Hopping John." This dish is made by boiling one quart of cowpeas and a scant pint of rice separately. After they are thoroughly cooked they should be mixed together and seasoned. Bacon or a beef bone boiled with the cowpeas adds a desirable flavor to the dish.

"The following recipes for other cowpea dishes are so good that they will earn for themselves a favored place in many diets."

Cowpea Soup

"1 tablespoon butter or pork fat; 1 tablespoon finely chopped onion; 1 stalk celery, finely chopped; 1 cup dry cowpeas; salt."

"Soak the peas eight to ten hours in water enough to cover. Fry the vegetables in the butter, add the peas in the water in which they were soaked and cook (preferably in a double boiler) until the peas are tender. Put the mixture through a sieve and add water enough to bring it to the consistency preferred. Reheat. If this soup is thickened with one tablespoon of flour, mixed with a little water, the pea pulp will not sink."

Puree of Cowpeas

(Used like mashed potatoes)

"Soak one pint of dry cowpeas in cold water over night. Cook until soft in just enough water to cover. Drain and pass through a sieve. Season with salt, pepper, one-half cupful cream or milk and a tablespoonful of butter or other fat and 2 tablespoonfuls of brown sugar. Beat thoroughly, reheat, and serve like mashed potatoes."

Baked Cowpeas and Cheese

(Substitute for meat roll.)

"1 tablespoon butter; 1 tablespoon finely chopped onion; 1 tablespoon finely chopped sweet green pepper or celery; 2 cups cooked cowpeas; 1 cup grated cheese."

"Press the peas through a sieve to remove the skins and mix with the cheese. Cook the onion and pepper or celery in the butter or other fat, being careful not to brown and add them to the peas and cheese. Form the mixture into a roll, place on a buttered dish and brown, basting occasionally, with butter or other fat and water. Serve hot or cold like meat."

"It is the consideration of these fundamental truths, not the granting of rewards to ammunition making women, which has made statesmen declare that the ballot for women is a measure needed by a world at war as a safeguard of civilization and an assurance that the world is safe for democracy."

Men's Work shoes, for less.

Mr. and Mrs. Charles Kelso celebrated their golden wedding anniversary yesterday at their home, north of Andersonville. The entire home was decorated with garden flowers and the table where the bounteous dinner was served was adorned with pretty jars of golden glow. Many useful and beautiful gifts were presented to the happy couple and the affair was carried out in like manner to that of fifty years ago. Mrs. William Dagler, sister of Mrs. Kelso, Hester King and Mary Kendrick, sister of Mr. Kelso, Mr. and Mrs. William Williams and Mrs. Harriet Beaver were the only ones present, who attended the wedding. Among the guests were Mr. and Mrs. Kenneth Kelso and family, Mr. and Mrs. Seth Kelso and family, Mr. and Mrs. Paul Kelso and family, Mr. and Mrs. Thomas Kelso and family, Mr. and Mrs. Raymond Kelso and family, Mr. and Mrs. Fred Kelso and family of Greenfield, Miss May Irvin and Louis Harvey Kelso, Miss Mary Alice Kelso of Anderson, Mr. and Mrs. William Dagler, Mr. and Mrs. Charles Dagler of Richmond, Mr. and Mrs. Fred Dagler and daughter, Miss Leona Dagler of Richmond, Mr. and Mrs. Fred King and family, Mr. and Mrs. Willard King and family, Mr. and Mrs. Roscoe Laforge and family, Mr. and Mrs. Lowell Norris, Miss Ramona Kendrick of Brookville, Mr. and Mrs. Sylvester Colvin, Miss Della McKee of Anderson and Gilbert Brown of Hammond.

Mr. and Mrs. T. M. Ryse celebrated their silver wedding anniversary Sunday at their home three miles west of Carthage with an informal reception from two until six o'clock, at which time they entertained their relatives. Refreshments were served during the afternoon and the guests were: Mr. and Mrs. Claude Morgan and family, Mr. and Mrs. William Morgan and family of this city, Mr. and Mrs. W. H. Riley and family, Mrs. Sarah Hasty and son Albert, Mr. and Mrs. Joseph Hardwick and family and Mr. and Mrs. Wallace Moore and family. In the evening from seven until nine-thirty o'clock they entertained their neighbors, Mr. and Mrs. E. E. Hunt and family, Mr. and Mrs. B. F. Ramsey and family, Mr. and Mrs. Frank King and family, Miss Rena Riden and Donald Ruby and Harry Simmerman. Many useful and beautiful presents were received by Mr. and Mrs. Ryse.

Miss Helen Scudder, assisted by Miss Nettie Clark, entertained with a well appointed dinner party last evening at her home in West Second street, honoring her house guest, Miss Corinna Morris of Columbus, O. The places were marked with candles, hooded with pink shades and a dainty color scheme of pink and white was carried out in all of the appointments of the splendid course dinner. The guests were Mr. and Mrs. Ben Hume, Mr. and Mrs. Louis Mauzy and their house guest, Miss Katherine Able of Springfield, O., Miss Nettie Clark and Miss Corinna Morris, Captain Perry Oenul, Lawrence Clark, Robert Hume and Lieutenant Scott Buell.

Mr. and Mrs. Albert Winship were the host and hostess to a number of friends last evening, when they entertained with a six o'clock dinner at their home in North Main street. The affair was given in honor of Lieutenant Lowell M. Green, of the sanitary detachment. A large bowl of garden flowers was used for the center decoration of the attractively laid table. Covers were laid for Lieutenant and Mrs. Lowell M. Green, Mr. and Mrs. Albert Capp, Dr. and Mrs. Carl Beher, Mr. and Mrs. Bert Davison, Mr. and Mrs. Gunn Haydon, Mr. and Mrs. Chase Mauzy, Mr. and Mrs. Howard Davis of Knightstown and Mr. and Mrs. Vincent Young.

Twenty-four girls were present, last evening, when Miss Lucile Gray entertained the members of the Psi Iota Xi at her country home east of this city, with a pitch-in supper and a miscellaneous shower for Mrs. Donald Alexander, who was recently married. The large veranda was decorated with bowls and wall-pockets of golden glow, and a pretty color scheme of yellow, and white

was carried out in the two course luncheon. The members of the second division were hostesses to the members of the first division. Mrs. Alexander received many pretty and useful presents.

Mr. and Mrs. George C. Wyatt and daughter Miss Wanda entertained with a course dinner, Tuesday evening, in honor of Warder Wyatt, the occasion being his birthday. Covers were laid for Mr. and Mrs. George C. Wyatt, Mr. and Mrs. Harry Wyatt and son George C. Jr., and Miss Earl Moore and family and Miss Wanda Wyatt.

Miss Alice Norris will entertain with a high noon dinner tomorrow at her home in North Harrison street, when the guests will be Mr. and Mrs. Charles Karmire, the Misses Belle, Etta and Eva Wingate and Mrs. Rhoda Offutt, all of Shelbyville, and Mr. and Mrs. Bert Norris of Noble township, and Miss Bertha Helm.

County Council of Defense to Ap-
point Five Men to Sign Article
Concerning Its Merits

TO MEET SATURDAY AT 4 P. M.

The County Council of Defense will meet Saturday afternoon at four o'clock to act on a suggestion contained in a bulletin received by the chairman, A. L. Gary, today, that five most representative men of the community meet and prepare an

About fifteen relatives and friends celebrated Mrs. Johnson Jones' birthday, yesterday by taking their dinners and going to her home in North Arthur street, for dinner. The table presented a gala appearance, being decorated with garlands of golden glow. After dinner the guests presented her with many nice presents, among which were several pieces of cut glass.

The annual reunion of the Mauzy family was held at the city park today.

article about the United States Boys Working Reserve, after a thorough investigation, to correct false impressions about the organization. The bulletin is as follows:

Due to the fact that misinformation regarding the purposes of the United States Boys' Working Reserve has been spread broadcast over the state, causing an unnecessary amount of misapprehension in the minds of many parents, we consider it quite important that the several County Councils immediately request five of the most representative men in their county, outside of the Council, to make a thorough investigation of the purposes of the Boys' Reserve and sign an article setting out their findings in detail. Emphasis should be laid on the fact that the Reserve has absolutely no military purpose, if such is the finding.

CALLED TO NAVY

William Fitzgerald, who joined the navy several weeks ago, was ordered today to report to Indianapolis next Monday morning at nine o'clock, in a letter received today. He expects to go into training at once after reporting.

Mrs. Noah Tryon is ill at her home southwest of this city.

Now Showing Autumn Modes in Coats and Suits

The new Fall line of Coats and Suits draws its inspiration from the leading designers in the New York market. All the newest ideas and most recent textile innovations are embodied in this showing of exquisite styles.

Our Fall collection of models is unusually smart in design and materials—being selected from a large market in New York as well as the well known "Wooltex" line. Many of our customers come back to us season after season for more "Wooltex" garments and ask for them by name.

STYLE FEATURES IN THESE NEW COATS AND SUITS

Pleats

Convertible Collars

Yokes

Straight-line Effects

Belts

Patch Pockets

If you are looking seriously for worth-while values in the best styles of this season, you cannot pass by this exhibit of early styles

THE MAUZY COMPANY

The Store That Sells Wooltex Suits and Coats

Clean Sweep Sale Starting Saturday, Aug. 25

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks step on your feet hereafter; wear shoes a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this Cincinnati authority.
He says that a few drops of a drug called frezone, applied directly upon a tender, aching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts right out.
This drug is a sticky ether compound, but dries at once and simply shrivels up the corn without inflaming or even irritating the surrounding tissue.
It is claimed that a quarter of an ounce of frezone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.

GOOD PROVIDER'S FAMILY

Ma's on time to lunch and dinner. Ma says he don't grow much thinner.
No, Pa, don't get a bit thinner. He hasn't a chance to. Ma feeds him with the purest groceries ever bought at a shop where the prices are right. So you see he don't worry about the bills either.

WORK OF W. R. C.

FULLY EXPLAINED

Statement by That Organization
Shows Its Duty is to Care For
Soldiers and Dependents

OUTLINES RECENT ACTIVITY

Presented Five Flags This Year,
Contributes to Flag Fund and
Serves Dinner to Soldiers

The Womens Relief Corps today gave out a statement outlining its aims and policies and what it has accomplished, especially in the last year. The statement follows:

The question has been asked: What is the Woman's Relief Corps? The Woman's Relief Corps is an auxiliary to the Grand Army of the Republic.

Our duty is to look after and take care of the soldiers and their dependents, such as father, mother, brother or sister. We provide them with fuel, food, clothing, pay their rent, find homes and employment and in fact, help them in every need.

This year the corps has presented flags to the court room, the Grand Army, the St. Paul's and Second Methodist and Second Baptist churches. We also made a liberal donation to the flag fund for Company B.

The Relief Corps gladly consented to serve the farewell dinner which was given to Company B and the Sanitary Detachment. After serving the dinner, the ladies prepared and filled boxes, which were given to the boys. The Relief Corps was given permission to dispose of the food, which was left from the dinner and they called the poor children of the town in and served with a bounteous lunch and gave them provision to take home with them.

The dinners and suppers do not finish the work for these soldiers we will look after them and their dependents at home and assist them in any way we can.

We now have a membership of sixty-six and any loyal and honorable woman may become a member.

FIRM BUYS \$89,000
WORTH OF STOCK HERE

Four Farmers Ship 16 Car Loads
of Cattle From Farmers, Bring-
ing Sum of \$50,000

ELEVEN CARS FROM MILROY

A Chicago packing house has just completed the purchase of two herds of cattle and one drove of hogs in this county for a sum near \$89,000.

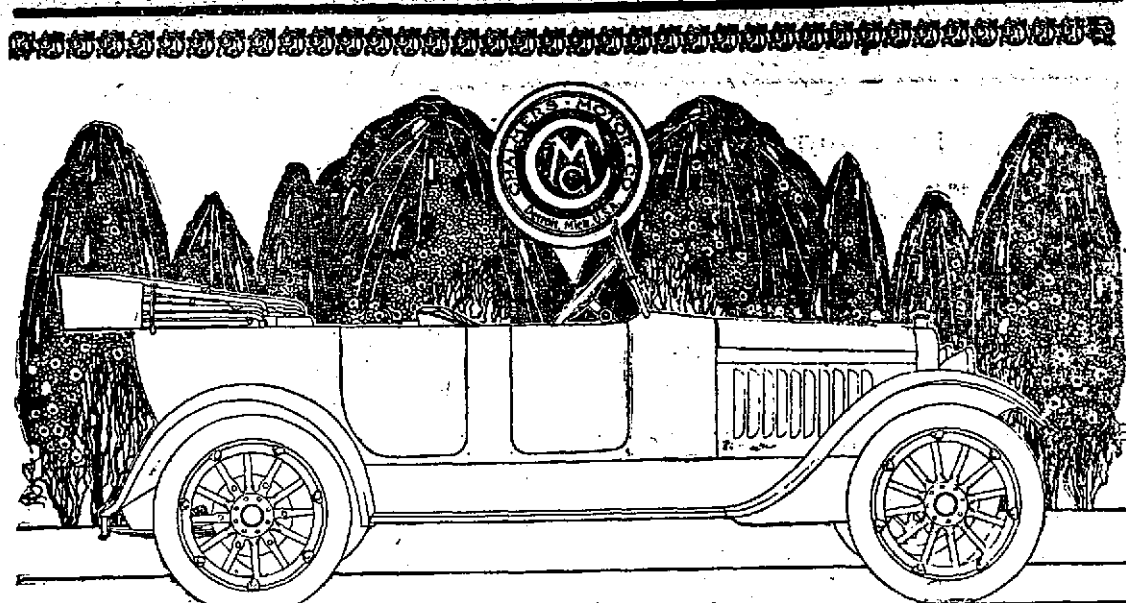

The last shipment was made yesterday from Farmers Station by four farmers who pooled their interests, of sixteen car load of cattle, mostly shorthorns. There were two hundred and forty-four head averaging 1,467 pounds each. They brought fourteen and a quarter cents a pound and the total sum received was slightly in excess of \$50,000. The cattle were sold by J. F. Leisure, N. I. Price, J. A. Leisure and Harry Leisure. They were shipped direct to New York to be butchered Sunday.

The same firm bought eleven car loads of cattle and hogs of J. W. Anderson of south of this city. There were seventy-five head of cattle in this shipment.

HUSBAND SEEKS A DIVORCE

Dr. A. G. Shauck Files Suit Against
Apolonia Shauck

Dr. Albert G. Shauck of Arlington has filed suit for divorce from Apolonia Shauck, alleging cruel and inhuman treatment. He charges she is possessed with a high and ungovernable temper and frequently abused him without cause. Dr. Shauck asserts that she refused to answer the telephone when patients would call and as a result suffered a loss in practice. According to the complaint, they were married January 22, 1915 and separated August 22, 1917. C. W. Duncan represents the plaintiff.

BE IT SPEED OR GENTLE COMFORT, RAGING BEAUTY OR SEDATENESS, HERE AMONG TEN AMAZING NEW CHALMERS FOR THE AUTUMN IS PROBABLY YOUR WISHED FOR CAR—MADE DOUBLY DESIRABLE BY INTERESTING LOW PRICES

Now that business conditions all over the country are improving at a rapid rate we announce some sixty days in advance of the calendar ten Autumn and Winter styles in Chalmers cars as follows: A Roadster that has the "stuff" under the bonnet and a rhythm of motion in every line.

A Town Car that will set many tongues going once it gets at your front door.

A 5-passenger Touring Car that for good sense, good power at low cost has, we feel, never been equalled before in its type.

A Sedan that weighs relatively little, steers easily, and is handy to drive.

A Cabriolet that approaches the limit in comfort.

A Limousine that is done in good taste, sedate in appearance and thoroughly cozy.

A Speedster that tickles the dometer at 80 miles an hour. (This speed guaranteed.)

A 7-passenger Touring Car minus superfluous weight, yet holds the road like a locomotive.

A Town Car Landaulet that reaches a new peak in smartness.

A Limousine Landaulet that is bound to become one of the popular equipages of the day.

You may have seen one or two of these ten new Chalmers for the Autumn and Winter on the street. If you have you will enjoy a treat in looking them over at close range.

Good as they look on the street they appear eminently better upon minute inspection.

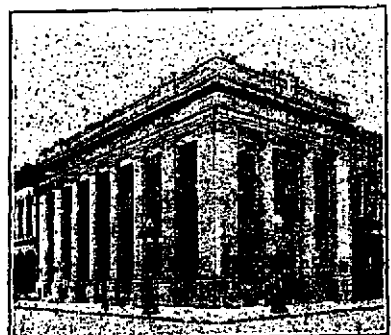

These cars are provoking much pleasant comment in those places where good cars are discussed. Whether you intend to buy or not, come and get posted on the trend in motor cars.

TOURING CAR, 5-PASSENGER	\$1250	TOWN CAR, 7-PASSENGER	\$2925

TO FIX PRICES ON
ANTHRACITE COAL

President Wilson Will Also Regulate
It, It is Officially Announced
Today.

DICTATOR TO BE APPOINTED

(By United Press.)
Washington, Aug. 23.—Prices for anthracite coal will be fixed by President Wilson probably within 24 hours, it was officially stated today. Simultaneously it was announced the president will appoint a "proper dictator" to direct the purchase and distribution of proper products.

It has not yet been decided whether a "steel dictator" will be added to the list, but it appears unlikely now, officials say. The president is eliminating all engagements possible to clean up price fixing work.

It will pay to buy early. Sample Shoe Parlor. 13818
